

# CANADIAN PARENTS FOR FRENCH CONCOURS d'art oratoire

Canada's French Public Speaking Contest

## Category Placement/Hours of Instruction/French Language Experience

There are four categories: **Core, Extended, Immersion and Francophone**. Each category is divided into four Grade groupings: **Grades 4-6, 7-8, 9-10 and 11-12**.

Category placement is determined by taking into consideration the **Hours of Instruction** and **French Language Experience**.

In order to make this an event that is fair to all participating students, we must ensure that each category contains students with similar backgrounds and experiences. Please ensure that students are placed in the correct category. **Previously, incorrect placements have resulted in disqualifications.** Please help us to make this event a positive and rewarding experience for all students.

### Calculating Accumulated Hours of French Second Language (FSL) Instruction – Grade 11 and 12 only

- ❶ Calculate the number of accumulated hours to the **end of June 2016**. **Do not include hours from the current (2016-2017) school year.**
- ❷ Refer to accumulated elementary hours and add at least 110 hours per completed credit in FSL instruction as indicated in the student's **OSR\***

***Copies of the Student Record of Accumulated Hours of Instruction in FSL and a copy of a high school transcript are required for GRADE 11 and 12 students only. If these documents are not available, we will need confirmation in writing from the student's teacher of the total number of hours of instruction in French taken from the student's previous report cards. THESE TWO DOCUMENTS ARE NOT REQUIRED FOR STUDENTS PARTICIPATING IN THE FRANCOPHONE CATEGORY.***

## Hours of Instruction

**Please note: French Language Experience** must also be taken into account when determining category placement.

<b>11-12</b>	1500 hours or less	More than 1500 hours but less than 5000 hours	5000 hours or more	As above

For students in Core, Extended and Immersion categories, French First Language hours count towards hours of instruction and years spent in a French First Language school count for at least 900 hours per year (half day JK and SK counts for 450 hours per year).

Please remember to calculate the number of hours accumulated to the end of June 2016.

**DO NOT COUNT THE HOURS FROM THE CURRENT 2016-2017 SCHOOL YEAR.**

## French Language Experience (in and out of class)

**Please Note:** **Hours of Instruction** must also be taken into account when determining category placement.

Boards and teachers must verify that a student's out-of-class French language experience does not create an unfair advantage over others in the category where that student would normally be placed. In such cases, the student must be placed in a more advanced category.
