Pupil of a board

4. (1) Subject to subsections (2) and (3), for the purposes of this Regulation, a pupil is a pupil of a board if he or she is enrolled in a school operated by the board.

(2) A pupil who receives instruction in an education program provided by a board that is a qualifying education program within the meaning of subsection 23 (2) is not a pupil enrolled in a school operated by the board for the purposes of subsection (1).

(3) For the purposes of this Regulation, the following are not pupils of a board even if they are enrolled in a school of the board:

1. A pupil who is a registered Indian residing on a reserve within the meaning of the *Indian Act* (Canada).
2. A pupil who is liable to pay fees as specified in subsection 49 (6) of the Act.
3. A pupil in respect of whom the board may charge a fee under section 5 of the 2006-2007 fees regulation.

Enrolment

5. (1) For the purposes of this Regulation, the 2006-2007 day school average daily enrolment of pupils of a board is the day school average daily enrolment for the board determined under section 2 of the 2006-2007 A.D.E. regulation, counting all pupils of the board other than secondary school pupils who are 21 years of age or older on December 31, 2006.

(2) For the purposes of this Regulation, the 2006-2007 day school average daily enrolment of elementary school pupils of a board is the day school average daily enrolment for the board determined under section 2 of the 2006-2007 A.D.E. regulation, counting only the elementary school pupils of the board.

(3) For the purposes of this Regulation, the 2006-2007 day school average daily enrolment of secondary school pupils of a board is the day school average daily enrolment for the board determined under section 2 of the 2006-2007 A.D.E. regulation, counting only secondary school pupils of the board who are under 21 years of age on December 31, 2006.

(4) For the purposes of this Regulation, the day school full-time equivalent enrolment for a board as of October 31, 2006 is determined using the formula,

$$A + B + C/D$$

in which,

- “A” is the number of full-time pupils of the board enrolled on October 31, 2006, excluding secondary school pupils who are at least 21 years of age on December 31, 2006,
- “B” is the amount equal to 0.5 times the number of half-time pupils of the board enrolled on October 31, 2006,
- “C” is the total of all amounts each of which is an amount determined for a part-time pupil of the board enrolled on October 31, 2006, other than a secondary school pupil who is at least 21 years of age on December 31, 2006, equal to the number of minutes for which the pupil is registered for classroom instruction in the cycle that includes October 31, 2006, in a course other than an independent study course, and
- “D” is the amount determined by multiplying the number of days in the cycle described in the definition of “C” by 300.

(5) If this Regulation requires that pupils be counted but does not provide that the count be on the basis of average daily enrolment or on the basis of full-time equivalent enrolment, each pupil, whether full-time, half-time or part-time, must be counted as one.

Level of accuracy

6. (1) A count of pupils for the purposes of this Regulation on the basis of average daily enrolment or on the basis of full-time equivalent enrolment must be accurate to two decimal places.

(2) A count of teachers or teacher assistants for the purposes of this Regulation on the basis of full-time equivalence must be accurate to one decimal place.

Legislative grants

7. (1) The legislative grant payable for the fiscal year to a district school board is the amount calculated under Part II.

(2) The legislative grant payable for the fiscal year to an isolate board is the amount calculated under section 46.

(3) The legislative grant payable for the fiscal year to a section 68 board is the amount calculated under section 47.

Payments

8. A legislative grant payable under this Regulation is paid on an estimated basis during the fiscal year and such adjustments as may be necessary must be made after the actual financial, enrolment and other data are available.

Conditions for grant

9. (1) It is a condition of the payment of a grant to a board under this Regulation that the board comply with all Acts administered by the Minister and with all regulations, policies, guidelines, directives and similar instruments made under an Act administered by the Minister.

(2) If a board contravenes an Act administered by the Minister or a regulation, policy, guideline, directive or similar instrument made under an Act administered by the Minister, the Minister may withhold all or part of a grant otherwise payable to the board under the Act.

Adjusting overpayment

10. If the amount payable to a board under a legislative grant regulation was overpaid and the overpayment has not been deducted from grants payable to the board under other legislative grant regulations, the overpayment must be deducted from the grants payable under this Regulation to the board.

Adjusting underpayment

11. If the amount payable to a board under a legislative grant regulation was underpaid, the amount of the underpayment that has not previously been paid must be added to the grants payable under this Regulation to the board.

PART II GRANTS TO DISTRICT SCHOOL BOARDS

Grant allocations

12. A district school board is entitled to the following grant allocations, in the amounts determined under this Part, in determining the amount of the grant payable to it for the fiscal year:

1. Pupil foundation allocation.
2. School foundation allocation.
3. Primary class size allocation.
4. Special education allocation.
5. Language allocation.
6. Learning resources for distant schools allocation.
7. Remote and rural allocation.

8. Learning opportunities allocation.
9. Continuing education and other programs allocation.
10. Cost adjustment and teacher qualification and experience allocation.
11. Transportation allocation.
12. Administration and governance allocation.
13. Pupil accommodation allocation.
14. Debt charges allocation.

Amount of grant

13. The grant payable to a district school board for the fiscal year is the amount determined using the following formula:

$$(A + B) - (C + D + E)$$

in which,

- “A” is the total amount of the grant allocations to which the board is entitled for the fiscal year,
- “B” is the amount of the board’s adjustment for declining enrolment for the fiscal year,
- “C” is the amount of the board’s 2006-2007 tax revenue, as determined in this Regulation,
- “D” is the amount of the board’s total fees revenue for the fiscal year in respect of pupils described in subsection 46 (2) of the Act, as determined under section 4 of the 2006-2007 fees regulation, and
- “E” is the amount of the board’s reserve fund under subsection 233 (1) of the Act on August 31, 2007 before the transfer under subsection 233 (2) of the Act.

2006-2007 tax revenue

14. (1) The 2006-2007 tax revenue of a district school board is determined as follows:

1. Add,
 - i. 38 per cent of the sum of,
 - A. the total of the amounts distributed to the board in respect of the 2006 calendar year under subsections 237 (12) and 238 (2), section

239, subsection 240 (5), sections 250 and 251 and subsections 257.8 (2) and 257.9 (1) of the *Education Act*, under sections 447.20 and 447.52 of the *Municipal Act* as made applicable by section 474 of the *Municipal Act, 2001*, under subsections 364 (22) and 365.2 (16) of the *Municipal Act, 2001*, under section 10 of Ontario Regulation 509/98 (Tax Matters — Relief in Unorganized Territory (Section 257.2.1 of the Act) made under the Act and under subsection 13 (2) of Ontario Regulation 3/02 (Tax Relief in Unorganized Territory for 2001 and Subsequent Years) made under the Act,

- B. the amounts, if any, referred to in subsection 364 (22) of the *Municipal Act, 2001*, as made applicable by section 257.12.3 of the *Education Act*, that are paid to the board in respect of the 2006 calendar year,
 - C. the total of all amounts, if any, received by the board in respect of the 2006 calendar year from a municipality under subsection 353 (4) or 366 (3) of the *Municipal Act, 2001*,
 - D. the amounts, if any, applied by the board against the cancellation price of land sold for tax arrears in the 2006 calendar year under section 380 of the *Municipal Act, 2001*, as made applicable by subsection 371 (2) of that Act,
 - E. the payments in lieu of taxes distributed to the board in respect of the 2006 calendar year under subsection 322 (1) of the *Municipal Act, 2001*,
 - F. the grants, if any, made to the board in respect of the 2006 calendar year under subsection 302 (2) of the *Municipal Act, 2001*,
 - G. the amounts, if any, received by the board in respect of the 2006 calendar year under the *Payments in Lieu of Taxes Act (Canada)* or under any Act of Canada that permits a payment to be made by a government or a government agency in lieu of taxes on real property, and
 - H. the amounts, if any, paid to the board in respect of the 2006 calendar year under subsection 9 (2) or (4) of the *Tax Incentive Zones Act (Pilot Projects), 2002*,
- ii. 62 per cent of the sum of,
- A. the total of the amounts distributed to the board in respect of the 2007 calendar year under subsections 237 (12) and 238 (2), section

- 239, subsection 240 (5), sections 250 and 251 and subsections 257.8 (2) and 257.9 (1) of the *Education Act*, under sections 447.20 and 447.52 of the *Municipal Act* as made applicable by section 474 of the *Municipal Act, 2001*, under subsections 364 (22) and 365.2 (16) of the *Municipal Act, 2001*, under section 10 of Ontario Regulation 509/98 (Tax Matters — Relief in Unorganized Territory (Section 257.2.1 of the Act) made under the Act and under subsection 13 (2) of Ontario Regulation 3/02 (Tax Relief in Unorganized Territory for 2001 and Subsequent Years) made under the Act,
- B. the amounts, if any, referred to in subsection 364 (22) of the *Municipal Act, 2001*, as made applicable by section 257.12.3 of the *Education Act*, that are paid to the board in respect of the 2007 calendar year,
 - C. the total of all amounts, if any, paid to the board in respect of the 2007 calendar year by a municipality under subsection 353 (4) or 366 (3) of the *Municipal Act, 2001*,
 - D. the amounts, if any, applied by the board against the cancellation price of land sold for tax arrears in the 2007 calendar year under section 380 of the *Municipal Act, 2001*, as made applicable by subsection 371 (2) of that Act,
 - E. the payments in lieu of taxes distributed to the board in respect of the 2007 calendar year under subsection 322 (1) of the *Municipal Act, 2001*,
 - F. the grants, if any, made to the board in respect of the 2007 calendar year under subsection 302 (2) of the *Municipal Act, 2001*,
 - G. the amounts, if any, received by the board in respect of the 2007 calendar year under the *Payments in Lieu of Taxes Act (Canada)* or under any Act of Canada that permits a payment to be made by a government or a government agency in lieu of taxes on real property, and
 - H. the amounts, if any, paid to the board in respect of the 2007 calendar year under subsection 9 (2) or (4) of the *Tax Incentive Zones Act (Pilot Projects), 2002*,
- iii. the total of the taxes received by the board in respect of the 2006 calendar year under section 35 of the *Assessment Act*,

- iv. the total of the amounts, if any, distributed to the board in the fiscal year under subsection 2 (2) of Ontario Regulation 365/98 (Pre-1998 School Tax Arrears) made under the Act, and
 - v. the total of the amounts, if any, paid to the board in the fiscal year under clause 3 (1) (a) of Ontario Regulation 366/98 (Tax Arrears in Annexed Areas) made under the Act.
2. Calculate the difference between the following amounts and deduct that difference if the amount described in subparagraph i is less than the amount described in subparagraph ii or add that difference if the amount described in subparagraph i is more than the amount described in subparagraph ii:
 - i. The amount that was determined under subparagraph 1 ii of subsection 12 (1) of the 2005-2006 grant regulation for the purposes of calculating the amount payable to the board as legislative grant in respect of the 2005-2006 school board fiscal year.
 - ii. The amount that would have been determined under subparagraph 1 ii of subsection 12 (1) of the 2005-2006 grant regulation if that amount had been determined on the basis of the board's annual financial statements as reported to the Ministry for the 2005-2006 school board fiscal year.
3. If the board is required to levy taxes for school purposes in respect of property in territory without municipal organization, deduct the sum of,
 - i. \$50,000,
 - ii. 0.76 per cent of the total of the amount of those taxes levied for school purposes for the 2006 calendar year and the amount of the tax imposed by section 21.1 of the *Provincial Land Tax Act* that is levied by the board for that year, and
 - iii. 1.24 per cent of the total of the taxes described in subparagraph ii that are levied by the board for the 2007 calendar year.
4. Deduct the costs for which the board is responsible under the *Municipal Elections Act, 1996* that are incurred in the fiscal year to conduct elections of members in territory without municipal organization that is deemed to be a district municipality for the purposes of clause 257.12 (3) (a) of the *Education Act*.
5. Deduct the amounts charged to the board in the 2006 calendar year by a municipal council under section 353 of the *Municipal Act, 2001*, including amounts charged under that section as a result of private legislation.

6. Deduct the total of the amounts rebated, paid or credited by the board under sections 257.2.1 and 257.12.3 of the Act in the fiscal year.
7. Deduct 38 per cent of the total of the amounts, if any, paid by the board in respect of the 2006 calendar year under subsections 361 (7), 364 (11), 365 (3), 365.1 (13) to (15) and 365.2 (8) of the *Municipal Act, 2001*.
8. Deduct 62 per cent of the total of the amounts, if any, paid by the board in respect of the 2007 calendar year under subsections 361 (7), 364 (11), 365 (3), 365.1 (13) to (15) and 365.2 (8) of the *Municipal Act, 2001*.

(2) For the purposes of determining the amount of a district school board's 2006-2007 tax revenue, the following rules apply:

1. All amounts, if any, paid by the Minister to the board in respect of the 2006 calendar year under section 257.10.1 or 257.11 of the Act are deemed to be amounts distributed to the board in respect of the 2006 calendar year under a provision of the Act referred to in sub-subparagraph 1 i A of subsection (1).
2. All amounts, if any, paid by the Minister to the board in respect of the 2007 calendar year under section 257.10.1 or 257.11 of the Act are deemed to be amounts distributed to the board in respect of the 2007 calendar year under a provision of the Act referred to in sub-subparagraph 1 ii A of subsection (1).

Pupil foundation allocation

15. The amount of the pupil foundation allocation for a district school board for the fiscal year is the sum of the following amounts:

1. The amount determined by multiplying the 2006-2007 day school average daily enrolment of elementary school pupils of the board by \$3,744.
2. The amount determined by multiplying the 2006-2007 day school average daily enrolment of secondary school pupils of the board by \$4,875.

School foundation allocation

16. (1) The amount of the school foundation allocation for a district school board for the fiscal year is the sum of the following amounts:

1. The principals amount determined under subsection (4).
2. The vice-principals amount determined under subsection (5).
3. The school secretaries amount determined under subsection (6).
4. The school supplies amount determined under subsection (7).

(2) For the purposes of this section,

“2006-2007 enrolment” means, in respect of a qualifying sole elementary school or qualifying sole secondary school of the board, the 2006-2007 day school average daily enrolment of pupils of the board, counting only pupils enrolled in the school. (“effectif de 2006-2007”)

“2006-2007 combined enrolment” means, in respect of a qualifying combined school of a board, the 2006-2007 day school average daily enrolment of pupils of the board, counting only pupils enrolled in schools that are part of the qualifying combined school. (“effectif combiné de 2006-2007”)

(3) For the purposes of this section, the following rules determine whether a school is a qualifying sole elementary school, a qualifying sole secondary school or a part of a qualifying combined school:

1. A school of the board is a qualifying elementary or secondary school of the board if it has been identified as an elementary or secondary school in accordance with the Instruction Guide, which is available as described in subsection 3 (1), and it has a 2006-2007 enrolment of one or more.
2. If one or more qualifying elementary schools of the board and one or more qualifying secondary schools of the board are located on the same school site, the schools make up a qualifying combined school of the board.
3. Any qualifying school that is not part of a qualifying combined school is a qualifying sole elementary school or a qualifying sole secondary school, as the case may be.
4. Despite paragraph 3, two or more qualifying sole elementary schools of the board shall be treated as if they were one qualifying sole elementary school if,
 - i. the board reported the schools together as one school in its school reports submitted to the Ministry in respect of the 2006-2007 school year, or
 - ii. the schools are all located on the same school site.
5. Despite paragraph 3, two or more qualifying sole secondary schools of the board shall be treated as if they were one qualifying sole secondary school if,
 - i. the board reported the schools together as one school in its school reports submitted to the Ministry in respect of the 2006-2007 school year, or
 - ii. the schools are all located on the same school site.

(4) The principals amount is determined as follows:

1. Multiply the number of qualifying sole elementary schools of the board for which the 2006-2007 enrolment is 50 or less, by \$53,971.27.
 2. Multiply the number of qualifying sole elementary schools of the board for which the 2006-2007 enrolment is greater than 50, by \$107,942.54.
 3. Total the following numbers:
 - i. The number of qualifying sole secondary schools of the board for which the 2006-2007 enrolment is greater than 50.
 - ii. The number of qualifying combined schools of the board for which the 2006-2007 combined enrolment is greater than 50.
 - iii. The number of qualifying combined schools of the board for which,
 - A. the sum of the 2006-2007 enrolments of the qualifying elementary schools that form part of the qualifying combined school is greater than 300, and
 - B. the sum of the 2006-2007 enrolments of the qualifying secondary schools that form part of the qualifying combined school is greater than 500.
 4. Multiply the number determined under paragraph 3 by \$117,720.45.
 5. Add the number of qualifying sole secondary schools of the board for which the 2006-2007 enrolment is 50 or less to the number of qualifying combined schools of the board for which the 2006-2007 combined enrolment is 50 or less.
 6. Multiply the number determined under paragraph 5 by \$58,860.22.
 7. Total the amounts determined under paragraphs 1, 2, 4 and 6.
- (5) The vice-principals amount is determined as follows:
1. For each qualifying sole elementary school of the board for which the 2006-2007 enrolment is less than 500, calculate a number as follows:

$$(A - 300) \times 0.00375$$
 in which,

“A” is the 2006-2007 enrolment of the school.

2. If the product determined under paragraph 1 is a negative number, it is deemed to be zero.
3. Total the numbers determined under paragraph 1 for the qualifying sole elementary schools of the board.
4. For each qualifying sole elementary school of the board for which the 2006-2007 enrolment is 500 or more but less than 1000, calculate a number as follows:

$$0.75 + ((A - 500) \times 0.0015)$$

in which,

“A” is the 2006-2007 enrolment of the school.

5. Total the numbers determined under paragraph 4 for the qualifying sole elementary schools of the board.
6. Multiply 1.5 by the number of qualifying sole elementary schools of the board for which the 2006-2007 enrolment is 1000 or more.
7. Total the numbers determined under paragraphs 3, 5 and 6.
8. Multiply the number determined under paragraph 7 by \$98,500.15.
9. For each qualifying sole secondary school of the board or qualifying combined school of the board for which the 2006-2007 enrolment or the 2006-2007 combined enrolment, as the case may be, is less than 500, calculate a number as follows:

$$(A - 100) \times 0.0025$$

in which,

“A” is the 2006-2007 enrolment or the 2006-2007 combined enrolment of the school, as the case may be.

10. If the product determined under paragraph 9 is a negative number, it is deemed to be zero.
11. Total the numbers determined under paragraph 9 for the qualifying sole secondary schools of the board and the qualifying combined schools of the board.
12. For each qualifying sole secondary school of the board or qualifying combined school of the board for which the 2006-2007 enrolment or the 2006-2007 combined enrolment, as the case may be, is 500 or more but less than 1000, calculate a number as follows:

$$1 + ((A - 500) \times 0.0020)$$

in which,

“A” is the 2006-2007 enrolment or the 2006-2007 combined enrolment of the school, as the case may be.

13. Total the numbers determined under paragraph 12 for the qualifying sole secondary schools of the board and the qualifying combined schools of the board.
14. For each qualifying sole secondary school of the board or qualifying combined school of the board for which the 2006-2007 enrolment or the 2006-2007 combined enrolment, as the case may be, is 1000 or more, calculate a number as follows:

$$2 + ((A - 1,000) \times 0.0010)$$

in which,

“A” is the 2006-2007 enrolment or the 2006-2007 combined enrolment of the school, as the case may be.

15. Total the numbers determined under paragraph 14 for the qualifying sole secondary schools of the board and the qualifying combined schools of the board.
16. Total the numbers determined under paragraphs 11, 13 and 15.
17. Multiply the number determined under paragraph 16 by \$103,915.16.
18. Total the amounts determined under paragraphs 8 and 17.

(6) The school secretaries amount is determined as follows:

1. Determine the number of qualifying sole elementary schools of the board for which the 2006-2007 enrolment is less than 100.
2. For each qualifying sole elementary school of the board for which the 2006-2007 enrolment is 100 or more but less than 300, calculate a number as follows:

$$1 + ((A - 100) \times 0.00125)$$

in which,

“A” is the 2006-2007 enrolment of the school.

3. Total the numbers determined under paragraph 2 for the qualifying sole elementary schools of the board.
4. For each qualifying sole elementary school of the board for which the 2006-2007 enrolment is 300 or more but less than 500, calculate a number as follows:

$$1.25 + ((A - 300) \times 0.0025)$$

in which,

“A” is the 2006-2007 enrolment of the school.

5. Total the numbers determined under paragraph 4 for the qualifying sole elementary schools of the board.
6. For each qualifying sole elementary school of the board for which the 2006-2007 enrolment is 500 or more, calculate a number as follows:

$$1.75 + ((A - 500) \times 0.0035)$$

in which,

“A” is the 2006-2007 enrolment of the school.

7. Total the numbers determined under paragraph 6 for the qualifying sole elementary schools of the board.
8. Total the numbers determined under paragraphs 1, 3, 5 and 7.
9. Multiply the number determined under paragraph 8 by \$40,512.55.
10. Total the number of qualifying sole secondary schools of the board for which the 2006-2007 enrolment is less than 100 and the number of qualifying combined schools of the board for which the 2006-2007 combined enrolment is less than 100.
11. For each qualifying sole secondary school of the board or qualifying combined school of the board for which the 2006-2007 enrolment or the 2006-2007 combined enrolment, as the case may be, is 100 or more but less than 500, calculate a number as follows:

$$1 + ((A - 100) \times 0.003125)$$

in which,

“A” is the 2006-2007 enrolment or the 2006-2007 combined enrolment of the school, as the case may be.

12. Total the numbers determined under paragraph 11 for the qualifying sole secondary schools of the board and the qualifying combined schools of the board.
13. For each qualifying sole secondary school of the board or qualifying combined school of the board for which the 2006-2007 enrolment or the 2006-2007 combined enrolment, as the case may be, is 500 or more but less than 1000, calculate a number as follows:

$$2.25 + ((A - 500) \times 0.0055)$$

in which,

“A” is the 2006-2007 enrolment or the 2006-2007 combined enrolment of the school, as the case may be.

14. Total the numbers determined under paragraph 13 for the qualifying sole secondary schools of the board and the qualifying combined schools of the board.
15. For each qualifying sole secondary school of the board or qualifying combined school of the board for which the 2006-2007 enrolment or the 2006-2007 combined enrolment, as the case may be, is 1000 or more, calculate a number as follows:

$$5 + ((A - 1,000) \times 0.0040)$$

in which,

“A” is the 2006-2007 enrolment or the 2006-2007 combined enrolment of the school, as the case may be.

16. Total the numbers determined under paragraph 15 for the qualifying sole secondary schools of the board and the qualifying combined schools of the board.
 17. Total the numbers determined in respect of the board under paragraphs 10, 12, 14 and 16.
 18. Multiply the number determined under paragraph 17 by \$42,677.57.
 19. Total the amounts determined under paragraphs 9 and 18.
- (7) The school supplies amount is determined as follows:
1. Multiply the number of qualifying sole elementary schools of the board by \$1,000.
 2. Total the 2006-2007 enrolments of the qualifying sole elementary schools of the board.
 3. Multiply the number determined under paragraph 2 by \$6.
 4. Total the amounts determined under paragraphs 1 and 3.
 5. Multiply the number of qualifying sole secondary schools of the board by \$2,000.
 6. Total the 2006-2007 enrolments of the qualifying sole secondary schools of the board.
 7. Multiply the number determined under paragraph 6 by \$7.
 8. Total the amounts determined under paragraphs 5 and 7.

9. Multiply the number of qualifying combined schools of the board by \$2,000.
10. Total the 2006-2007 combined enrolments of the qualifying combined schools of the board.
11. Multiply the number determined under paragraph 10 by \$7.
12. Total the amounts determined under paragraphs 9 and 11.
13. Total the amounts determined under paragraphs 4, 8 and 12.

Primary class size allocation

17. (1) The amount of the primary class size allocation for a district school board for the fiscal year is the amount determined by multiplying \$531 by the 2006-2007 day school average daily enrolment of elementary school pupils of the board, counting only pupils enrolled in junior kindergarten, kindergarten and grades 1 to 3.

(2) It is a condition of payment of a grant to the board under this Regulation that,

- (a) the board submit a plan, in a form prescribed by the Minister, by July 14, 2006, setting out how the board plans to provide instruction in the primary division in the 2006-2007 school board fiscal year; and
- (b) the board use the allocation to establish the number of classes approved or confirmed by the Minister to provide instruction in the primary division in the 2006-2007 school board fiscal year.

(3) If a district school board does not meet a condition set out in subsection (2), the Minister may withhold all or part of the grant otherwise payable to the board under the Act.

Special education allocation

18. The amount of the special education allocation for a district school board for the fiscal year is the total of the following amounts:

1. The enrolment-based special education amount for the board for the fiscal year as determined under section 19.
2. The special equipment claim for the board for the fiscal year as determined under subsection 20 (2).
3. The high needs amount for the board for the fiscal year as determined under section 21.
4. The special incidence claim for the board for the fiscal year as determined under subsection 22 (2).

5. The facilities amount for the board for the fiscal year as determined under section 23.

Enrolment-based special education amount

19. The enrolment-based special education amount for a board for the fiscal year is determined as follows:

1. Multiply the 2006-2007 day school average daily enrolment of elementary school pupils of the board, counting only pupils enrolled in junior kindergarten, kindergarten and grades 1 to 3, by \$623 to determine the enrolment-based special education amount for junior kindergarten to grade 3.
2. Multiply the 2006-2007 day school average daily enrolment of elementary school pupils of the board, counting only pupils enrolled in grades 4 to 8, by \$470 to determine the enrolment-based special education amount for grades 4 to 8.
3. Multiply the 2006-2007 day school average daily enrolment of secondary school pupils of the board by \$303 to determine the enrolment-based special education amount for secondary schools.
4. Total the amounts determined under paragraphs 1, 2 and 3 to determine the board's enrolment-based special education amount for the fiscal year.

Special equipment

20. (1) For the purposes of subsection (2), a special equipment claim for a pupil of a district school board is an approved claim if,

- (a) the pupil meets the eligibility criteria for special equipment set out in the document entitled "Special Education Funding Guidelines: Special Equipment Amount (SEA) and Special Incidence Portion (SIP) 2006-07", which is available as described in subsection 3 (2); and
- (b) the board has made a claim for the fiscal year for expenditures in excess of \$800 for special equipment for the pupil, in accordance with the publication mentioned in clause (a), and the Minister has approved the claim.

(2) The special equipment claim for a board for the fiscal year is the sum of all approved special equipment claims for pupils of the board, after any adjustment required under section 24.

High needs amount

21. The high needs amount for a board is determined by multiplying the 2006-2007 day school average daily enrolment of pupils of the board by the amount set out in Column 2 of Table 1 opposite the name of the board.

Special incidence

22. (1) A special incidence claim for a pupil of a board is an approved special incidence claim for the pupil if,

- (a) the board has designated the pupil as a pupil requiring special incidence funding in accordance with the document entitled “Special Education Funding Guidelines: Special Equipment Amount (SEA) and Special Incidence Portion (SIP) 2006-07”, which is available as described in subsection 3 (2); and
- (b) the board has made a special incidence claim for the pupil for the fiscal year in an amount not exceeding \$27,000, in accordance with the publication mentioned in clause (a), and the Minister has approved the claim.

(2) The special incidence claim for a board for the fiscal year is the sum of all approved special incidence claims for pupils of the board, after any adjustment required under section 24.

Facilities amount

23. (1) The facilities amount for a board for the fiscal year is determined as follows:

- 1. For each qualifying education program provided by the board under an agreement with a facility listed in subsection (4), determine the amount for the qualifying education program in accordance with subsection (5).
- 2. Total the amounts determined under paragraph 1.

(2) An education program provided by the board under an agreement with a facility listed in subsection (4) is a qualifying education program for the purposes of this section if the following conditions are satisfied:

- 1. The education program is provided by a teacher employed by the board.
- 2. No education program is provided by the Province in the facility.
- 3. The board has entered into a written agreement with the facility and the Minister has approved it on the basis that it satisfies the requirements set out in subsection (3).

(3) The requirements for the written agreement referred to in paragraph 3 of subsection (2) are as follows:

- 1. The agreement includes a staffing plan that sets out the number of teachers and teacher assistants to be employed by the board for the purposes of the program.
- 2. The agreement adequately sets out the responsibilities of the board and the facility.
- 3. The agreement sets out the number of pupil places in the program.

(4) The following are facilities for the purposes of this section:

1. A psychiatric facility.
2. An approved charitable institution as defined in the *Charitable Institutions Act*.
3. An agency approved under subsection 8 (1) of the *Child and Family Services Act*.
4. A facility designated under the *Developmental Services Act*.
5. A place of temporary detention, open custody or secure custody continued or established under section 89 of the *Child and Family Services Act*.
6. A home for special care licensed under the *Homes for Special Care Act*.
7. A hospital approved by the Minister.
8. A nursing home operated under a licence issued under the *Nursing Homes Act*.
9. A correctional institution as defined in the *Ministry of Correctional Services Act*.
10. A place of temporary detention and a youth custody facility under the *Youth Criminal Justice Act (Canada)*.

(5) Subject to subsections (6) and (7), the amount for a qualifying education program is determined as follows:

1. Take the lesser of,
 - i. the expenditure of the board in the fiscal year for salary and employee benefits of teachers employed by the board to provide the program, and
 - ii. the amount that could be expended by the board in the fiscal year for salary and employee benefits of teachers employed by the board to provide the program under the staffing plan referred to in paragraph 1 of subsection (3).
2. Multiply the number of full-time equivalent teachers employed by the board to provide the program by \$2,666. For the purposes of this paragraph, the counting practices usually followed by the board for staffing purposes are to be followed.
3. Take the lesser of,
 - i. the expenditure of the board in the fiscal year for salary and employee benefits of teacher assistants employed by the board to assist teachers in providing the program, and

- ii. the amount that could be expended by the board in the fiscal year for salary and employee benefits of teacher assistants employed by the board under the staffing plan referred to in paragraph 1 of subsection (3).
4. Multiply the number of full-time equivalent teacher assistants employed by the board to assist teachers in providing the program by \$1,302. For the purposes of this paragraph, the counting practices usually followed by the board for staffing purposes are to be followed.
 5. Determine the expenditure of the board in the fiscal year for the purchase of furniture or equipment for any classroom used in the program. The amount determined for a classroom under this paragraph, added to the total of all amounts received for the classroom under similar provisions of previous legislative grant regulations, shall not exceed \$3,523 unless the board obtains the Minister's approval.
 6. Total the amounts determined under paragraphs 1 to 5.

(6) Despite subsection (5), if the predecessor to a qualifying education program provided by the board was an education program provided by the Ministry in the facility, the amount otherwise determined under this section for a qualifying education program may be increased by an amount determined by the Minister to be appropriate having regard to reasonable costs of the board in connection with program expenditures that were previously made by the Ministry and are not mentioned in subsection (5).

(7) Despite subsections (5) and (6), the amount otherwise determined under this section for a qualifying education program must be reduced by the amount determined by the Minister to be appropriate having regard to the reasonable costs of the board in connection with the program, if the program,

- (a) operates on a smaller scale than was projected in the materials submitted by the board for consideration by the Minister for the purposes of paragraph 3 of subsection (2);
- (b) does not operate during the 2006-2007 school year; or
- (c) ceases to operate during the 2006-2007 school year.

Special education pupil, move to new board

24. (1) Subsection (2) applies if,

- (a) special equipment has been purchased in respect of a pupil through a special equipment claim approved for a district school board for the fiscal year or under section 17 of the 2005-2006 grant regulation or a predecessor of that section in the grant regulation for a prior fiscal year and the pupil enrolls during the fiscal year in a school that is operated by a different district school board or by a section 68 board; or

- (b) a section 68 board has made expenditures to purchase special equipment for a pupil of a district school board and the pupil enrolls during the fiscal year in a school operated by a different district school board.

(2) The special equipment referred to in subsection (1) must move with the pupil to the new board, unless in the opinion of the new board it is not practical to move the equipment.

(3) Subsection (4) applies if a special equipment claim has been approved for a district school board in respect of a pupil and the pupil enrolls during the fiscal year in a school operated by a different district school board.

(4) Any unspent part of the special equipment claim amount approved in respect of the pupil must be deducted from the amount determined under subsection 20 (2) for the former board and added to the amount determined under subsection 20 (2) for the new board.

(5) Subsection (6) applies if a pupil,

- (a) was a pupil approved for special incidence funding in respect of a district school board; and
- (b) enrolls in a school operated by a different district school board after the end of the 2005-2006 school year.

(6) The total amount of the approved special incidence claims for pupils of the board referred to in clause (5) (a) is reduced and the amount of the approved special incidence claims for pupils of the board referred to in clause (5) (b) is increased to the extent, if any, that the Minister considers appropriate having regard to the costs of each board in the fiscal year in connection with providing the pupil's special education program.

Language allocation, English-language boards

25. The amount of the language allocation for an English-language district school board for the fiscal year is the sum of,

- (a) the French as a second language amount for the board for the fiscal year;
- (b) the Native language amount for the board for the fiscal year; and
- (c) the ESL/ESD amount for the board for the fiscal year.

French as a second language amount

26. (1) The French as a second language amount for an English-language district school board for the fiscal year is the sum of,

- (a) the French as a second language amount for elementary school pupils of the board; and

(b) the French as a second language amount for secondary school pupils of the board.

(2) The French as a second language amount for elementary school pupils of a board is determined as follows:

1. Multiply \$258.43 by the number of pupils of the board enrolled in any of grades 4 to 8 who are scheduled on October 31, 2006 to take instruction in French for an average of 20 or more minutes but less than 60 minutes per school day.
2. Multiply \$294.44 by the number of pupils of the board enrolled in any of grades 4 to 8 who are scheduled on October 31, 2006 to take instruction in French for an average of 60 or more minutes but less than 150 minutes per school day.
3. Multiply \$329.39 by the number of pupils of the board enrolled in any of grades 1 to 8 who are scheduled on October 31, 2006 to take instruction in French for an average of 150 or more minutes per school day.
4. Multiply \$329.39 by the number of pupils of the board enrolled in junior kindergarten or kindergarten who are scheduled on October 31, 2006 to take instruction in French for an average of 75 minutes or more per school day.
5. Total the amounts determined under paragraphs 1 to 4.

(3) The French as a second language amount for secondary school pupils of a board is determined as follows:

1. Determine an amount for grades 9 and 10 instruction in the subject of French by multiplying \$65.80 by the sum of the amounts determined under the following subparagraphs:
 - i. Determine the credit value of each grade 9 course and grade 10 course in the subject of French that is taught on a non-semestered basis. Multiply the credit value by the number of pupils of the board enrolled in the course on October 31, 2006, excluding pupils who are at least 21 years of age on December 31, 2006.
 - ii. Determine the credit value of each grade 9 course and grade 10 course in the subject of French that is taught on a semestered basis. Multiply the credit value by the total of the number of pupils of the board enrolled in the course on October 31, 2006 and the number of pupils of the board enrolled in the course on March 31, 2007, excluding pupils who are at least 21 years of age on December 31, 2006.

2. Determine an amount for grades 9 and 10 instruction in a subject other than French if the language of instruction is French by multiplying \$108.25 by the sum of the amounts determined under the following subparagraphs:
 - i. Determine the credit value of each grade 9 course and grade 10 course in a subject other than French that is taught in French on a non-semestered basis. Multiply the credit value by the number of pupils of the board enrolled in the course on October 31, 2006, excluding pupils who are at least 21 years of age on December 31, 2006.
 - ii. Determine the credit value of each grade 9 course and grade 10 course in a subject other than French that is taught in French on a semestered basis. Multiply the credit value by the total of the number of pupils of the board enrolled in the course on October 31, 2006 and the number of the pupils of the board enrolled in the course on March 31, 2007, excluding pupils who are at least 21 years of age on December 31, 2006.
3. Determine an amount for grades 11 and 12 instruction in the subject of French by multiplying \$87.02 by the sum of the amounts determined under the following subparagraphs:
 - i. Determine the credit value of each grade 11 course and grade 12 course in the subject of French that is taught on a non-semestered basis. Multiply the credit value by the number of pupils of the board enrolled in the course on October 31, 2006, excluding pupils who are at least 21 years of age on December 31, 2006.
 - ii. Determine the credit value of each grade 11 course and grade 12 course in the subject of French that is taught on a semestered basis. Multiply the credit value by the total of the number of pupils of the board enrolled in the course on October 31, 2006 and the number of the pupils of the board enrolled in the course on March 31, 2007, excluding pupils who are at least 21 years of age on December 31, 2006.
4. Determine an amount for grades 11 and 12 instruction in a subject other than French if the language of instruction is French by multiplying \$168.74 by the sum of the amounts determined under the following subparagraphs:
 - i. Determine the credit value of each grade 11 course and grade 12 course in a subject other than French that is taught in French on a non-semestered basis. Multiply the credit value by the number of pupils of the board enrolled in the course on October 31, 2006, excluding pupils who are at least 21 years of age on December 31, 2006.

- ii. Determine the credit value of each grade 11 course and grade 12 course in a subject other than French that is taught in French on a semestered basis. Multiply the credit value by the total of the number of pupils of the board enrolled in the course on October 31, 2006 and the number of pupils of the board enrolled in the course on March 31, 2007, excluding pupils who are at least 21 years of age on December 31, 2006.

5. Total the amounts determined under paragraphs 1 to 4.

(4) In this section,

“course” means a course at the secondary level that is assigned a common course code in the list of common course codes, which is available as described in subsection 3 (3); (“cours”)

“credit value” means, in respect of a course in which a pupil is enrolled, the number of credits that the pupil is eligible to earn on successfully completing the course; (“valeur en crédits”)

“instruction in French” means instruction in the subject of French or instruction in any other subject if the language of instruction is French. (“enseignement en français”)

Native language amount

27. (1) The Native language amount for an English-language district school board or for a French-language district school board for the fiscal year is the total of the Native language amount for elementary school pupils of the board and the Native language amount for secondary school pupils of the board.

(2) The Native language amount for elementary school pupils of the board is the total of the amounts determined under the following paragraphs:

1. Multiply \$247.87 by the number of elementary school pupils of the board who, on October 31, 2006, are scheduled to take instruction in the subject of a Native language for an average of at least 20 minutes but less than 40 minutes per school day.
2. Multiply \$440.65 by the number of elementary school pupils of the board who, on October 31, 2006, are scheduled to take instruction in the subject of a Native language for an average of at least 40 minutes per school day.

(3) The Native language amount for secondary school pupils of the board is the total of the amounts determined under the following paragraphs:

1. Multiply \$65.80 by the sum of the products determined by multiplying the credit value of each course in a Native language that is a level one, level two or level three course taught on a non-semestered basis by the number of pupils of the board enrolled in the course on October 31, 2006, excluding pupils who are at least 21 years of age on December 31, 2006.

2. Multiply \$65.80 by the sum of the products determined by multiplying the credit value of each course in a Native language that is a level one, level two or level three course taught on a semestered basis by the total of the number of pupils of the board enrolled in the course on October 31, 2006 and the number of pupils of the board enrolled in the course on March 31, 2007, excluding pupils who are at least 21 years of age on December 31, 2006.
3. Multiply \$87.02 by the sum of the products determined by multiplying the credit value of each course in a Native language that is a grade 11 course or grade 12 course taught on a non-semestered basis by the number of pupils of the board enrolled in the course on October 31, 2006, excluding pupils who are at least 21 years of age on December 31, 2006.
4. Multiply \$87.02 by the sum of the products determined by multiplying the credit value of each course in a Native language that is a grade 11 course or grade 12 course taught on a semestered basis by the total of the number of pupils of the board enrolled in the course on October 31, 2006 and the number of pupils of the board enrolled in the course on March 31, 2007, excluding pupils who are at least 21 years of age on December 31, 2006.

(4) In this section,

“course” means a course at the secondary level that is assigned a common course code in the list of common course codes, which is available as described in subsection 3 (3); (“cours”)

“credit value” of a course in which a pupil is enrolled means the number of credits that the pupil is eligible to earn on successfully completing the course. (“valeur en crédits”).

ESL/ESD amount

28. (1) The ESL/ESD amount for an English-language district school board for the fiscal year is the sum of the amount set out for the board in Table 2 and the product determined by multiplying \$3,349 by the sum of,

- (a) the number of pupils of the board, as of October 31, 2006,
 - (i) who were born in countries described in subsection (2) after December 31, 1985, and
 - (ii) who entered Canada during the period beginning September 1, 2005 and ending October 31, 2006;
- (b) the amount determined by multiplying 0.7 by the number of pupils of the board, as of October 31, 2006,

- (i) who were born in countries described in subsection (2) after December 31, 1985, and
 - (ii) who entered Canada during the period beginning September 1, 2004 and ending August 31, 2005;
- (c) the amount determined by multiplying 0.5 by the number of pupils of the board, as of October 31, 2006,
- (i) who were born in countries described in subsection (2) after December 31, 1985, and
 - (ii) who entered Canada during the period beginning September 1, 2003 and ending August 31, 2004; and
- (d) the amount determined by multiplying 0.25 by the number of pupils of the board, as of October 31, 2006,
- (i) who were born in countries described in subsection (2) after December 31, 1985, and
 - (ii) who entered Canada during the period beginning September 1, 2002 and ending August 31, 2003.
- (2) The countries described for the purposes of subsection (1) are,
- (a) countries in which English is not the first language of a majority of the population; and
 - (b) countries in which a majority of the population speaks a variety of English that is sufficiently different from the English used as the language of instruction in schools of the board that it is appropriate to offer an ESL or ESD program to pupils from those countries.

Language allocation, French-language boards

29. The amount of the language allocation for a French-language district school board for the fiscal year is the total of the amounts determined under the following paragraphs:

1. The French as a first language amount for the board for the fiscal year.
2. The Native language amount for the board for the fiscal year.
3. The ALF/PDF amount for the board for the fiscal year.

French as a first language amount

30. The French as a first language amount for a French-language district school board for the fiscal year is the total of the amounts determined under the following paragraphs:

1. Multiply \$605.05 by the number of elementary school pupils of the board on October 31, 2006.
2. Multiply \$733.32 by the 2006-2007 day school average daily enrolment of the board, counting only secondary school pupils of the board.
3. Multiply \$16,081.91 by the number of elementary schools of the board that are governed for the first time by the board in September, 2006.

ALF/PDF amount

31. (1) The ALF/PDF amount for a French-language district school board for the fiscal year is the total of the ALF funding level for the board for the fiscal year and the PDF funding level for the board for the fiscal year.

(2) The ALF funding level for the board for the fiscal year is determined as follows:

1. Multiply the 2006-2007 day school average daily enrolment of elementary school pupils of the board by the assimilation factor for the board set out in Table 3.
2. Multiply the number determined under paragraph 1 by \$770.88.
3. Multiply by \$40,799 the number of elementary schools of the board in which pupils were enrolled in day school programs in the 2006-2007 school year, counting only those elementary schools described in subsection (3).
4. Multiply the 2006-2007 day school average daily enrolment of secondary school pupils of the board by the assimilation factor for the board set out in Table 3.
5. Multiply the number determined under paragraph 4 by \$341.05.
6. Multiply by \$144,836 the number of secondary schools of the board in which pupils were enrolled in day school programs in the 2006-2007 school year, counting only those secondary schools described in subsection (4).
7. Total the amounts determined under paragraphs 2, 3, 5 and 6.
8. Add \$182,401 to the amount determined under paragraph 7.

(3) An elementary school is counted for the purposes of paragraph 3 of subsection (2) if it is a qualifying sole elementary school under subsection 16 (3).

(4) A secondary school is counted for the purposes of paragraph 6 of subsection (2) if it is a qualifying sole secondary school or a qualifying combined school under subsection 16 (3).

(5) The PDF funding level for the board is the amount determined by multiplying \$3,349 by the sum of,

- (a) the number of pupils of the board, as of October 31, 2006,
 - (i) who are eligible for PDF funding under subsection (6),
 - (ii) who were born after December 31, 1985 in countries in which French is a standard language of schooling or public administration, and
 - (iii) who entered Canada during the period beginning September 1, 2005 and ending October 31, 2006;
- (b) the amount determined by multiplying 0.7 by the number of pupils of the board, as of October 31, 2006,
 - (i) who are eligible for PDF funding under subsection (6),
 - (ii) who were born after December 31, 1985 in countries in which French is a standard language of schooling or public administration, and
 - (iii) who entered Canada during the period beginning September 1, 2004 and ending August 31, 2005;
- (c) the amount determined by multiplying 0.5 by the number of pupils of the board, as of October 31, 2006,
 - (i) who are eligible for PDF funding under subsection (6),
 - (ii) who were born after December 31, 1985 in countries in which French is a standard language of schooling or public administration, and
 - (iii) who entered Canada during the period beginning September 1, 2003 and ending August 31, 2004; and
- (d) the amount determined by multiplying 0.25 by the number of pupils of the board, as of October 31, 2006,
 - (i) who are eligible for PDF funding under subsection (6),
 - (ii) who were born after December 31, 1985 in countries in which French is a standard language of schooling or public administration, and

(iii) who entered Canada during the period beginning September 1, 2002 and ending August 31, 2003.

(6) For the purposes of subsection (5), a pupil is eligible for PDF funding if the pupil is admitted to a school of the board under section 293 of the Act, and,

- (a) the pupil speaks a variety of French that is sufficiently different from the French used as the language of instruction in schools of the board that it is appropriate to offer a PDF program to the pupil;
- (b) the pupil's schooling has been interrupted or delayed; or
- (c) the pupil has little knowledge of English or French.

Learning resources for distant schools allocation

32. The amount of the learning resources for distant schools allocation for a district school board for the fiscal year is determined as follows:

1. Total the amounts that were determined under subsection 29 (4) of the 2003-2004 grant regulation for the learning resources component of the distant schools allocation for the distant elementary schools of the board.
2. Total the amounts that were determined under subsection 29 (8) of the 2003-2004 grant regulation for the learning resources component of the distant schools allocation for the distant secondary schools of the board.
3. Total the amounts determined under paragraphs 1 and 2.
4. Add to the amount determined under paragraph 3 the total of the amounts, if any, set out in Column 6 of Table 4 opposite the names of the schools of the board set out in Columns 3 and 4.
5. Subtract from the amount determined under paragraph 4 the amount, if any, in Column 2 of Table 5 opposite the name of the board.

Remote and rural allocation

33. (1) The amount of the remote and rural allocation for a district school board for the fiscal year is the total of the board's small board amount, the board's distance amount and the board's dispersion amount.

(2) The board's small board amount is the amount, if any, determined under the following paragraph that applies to the board:

1. If the 2006-2007 day school average daily enrolment of pupils of the board is less than 4,000,

- i. multiply the 2006-2007 day school average daily enrolment of pupils of the board by \$0.01593,
 - ii. subtract the amount determined under subparagraph i from \$293.27, and
 - iii. multiply the amount determined under subparagraph ii by the 2006-2007 day school average daily enrolment of pupils of the board.
 2. If the 2006-2007 day school average daily enrolment of pupils of the board is at least 4,000 but less than 8,000,
 - i. subtract 4,000 from the 2006-2007 day school average daily enrolment of pupils of the board,
 - ii. multiply the number determined under subparagraph i by \$0.01829,
 - iii. subtract the amount determined under subparagraph ii from \$229.56, and
 - iv. multiply the amount determined under subparagraph iii by the 2006-2007 day school average daily enrolment of pupils of the board.
 3. If the 2006-2007 day school average daily enrolment of pupils of the board is 8,000 or more,
 - i. subtract 8,000 from the 2006-2007 day school average daily enrolment of pupils of the board,
 - ii. multiply the number determined under subparagraph i by \$0.01955,
 - iii. subtract the amount determined under subparagraph ii from \$156.41,
 - iv. if the amount determined under subparagraph iii is greater than zero, multiply the amount determined under subparagraph iii by the 2006-2007 day school average daily enrolment of pupils of the board, and
 - v. if the amount determined under subparagraph iii is not greater than zero, the board's small board amount is zero.
- (3) The board's distance amount is,
- (a) the product of the 2006-2007 day school average daily enrolment of pupils of the board multiplied by the board's distance factor per pupil, if the board is an English-language district school board; or

- (b) the product of the 2006-2007 day school average daily enrolment of pupils of the board multiplied by the greater of the board's distance factor per pupil or \$163.42, if the board is a French-language district school board.

(4) The board's distance factor per pupil is the amount determined by multiplying the urban factor specified for the board in Column 3 of Table 6 by the amount determined under the following paragraph that applies to the board:

1. If the distance specified for the board in Column 2 of Table 6 is less than 151 kilometres, the amount is zero.
2. If the distance specified for the board in Column 2 of Table 6 is equal to or greater than 151 kilometres but less than 650 kilometres, the amount is determined using the formula:

$$(A - 150) \times \$1.0005$$

in which,

“A” is the distance specified for the board in Column 2 of Table 6.

3. If the distance specified for the board in Column 2 of Table 6 is equal to or greater than 650 kilometres but less than 1,150 kilometres, the amount is determined using the formula:

$$[(A - 650) \times \$0.13464] + \$500.25$$

in which,

“A” is the distance specified for the board in Column 2 of Table 6.

4. If the distance specified for the board in Column 2 of Table 6 is equal to or greater than 1,150 kilometres, the amount is \$567.57.

(5) The board's dispersion amount is the amount calculated using the formula,

$$(DD - F) \times ADE \times \$5.2643$$

in which,

“DD” is the dispersion distance in kilometres set out in Column 4 of Table 6 opposite the name of the board in Column 1 of that Table,

“F” is the lesser of “DD” and 14 kilometres, and

“ADE” is the 2006-2007 day school average daily enrolment of pupils of the board.

Learning opportunities allocation

34. (1) The amount of the learning opportunities allocation for a district school board for the fiscal year is the total of the amounts set out or determined under the following paragraphs:

1. The amount set out in Column 2 of Table 7 opposite the name of the board.
2. The board's literacy and numeracy assistance amount for the fiscal year.
3. The board's student success, grades 7 to 12, amount for the fiscal year.

(2) The board's literacy and numeracy assistance amount for the fiscal year is determined as follows:

1. Determine the summer school average daily enrolment for the board for the fiscal year in accordance with section 4 of the 2006-2007 A.D.E. regulation, counting only pupils of the board enrolled in classes or courses described in subclauses (c) (iii) and (iv) of the definition of "summer school class or course" in subsection 4 (1) of that regulation.
2. Determine the continuing education average daily enrolment for the board for the fiscal year in accordance with section 3 of the 2006-2007 A.D.E. regulation, counting only pupils of the board enrolled in classes or courses described in paragraphs 3, 4 and 5 of subsection 3 (2) of that regulation.
3. Add the numbers determined under paragraphs 1 and 2.
4. Multiply the number determined under paragraph 3 by \$5,618.
5. Add the amount of the board's transportation costs related to literacy and numeracy instruction for the fiscal year.

(3) The amount of the board's transportation costs related to literacy and numeracy instruction for the fiscal year is determined as follows:

1. Take the amount of the board's transportation allocation for the fiscal year.
2. Deduct the amount determined for the board under paragraph 10 of section 37.
3. Divide the result obtained under paragraph 2 by the 2006-2007 day school average daily enrolment of pupils of the board.
4. Multiply the result obtained under paragraph 3 by the enrolment amount determined under paragraph 1 of subsection (2).
5. Multiply the result obtained under paragraph 4 by 3.0.

(4) The board's student success, grades 7 to 12, amount for the fiscal year is the amount determined as follows:

1. Multiply \$26.52 by the 2006-2007 day school average daily enrolment of pupils of the board, counting only pupils enrolled in grades 9, 10, 11 and 12.
2. Multiply \$10.59 by the 2006-2007 day school average daily enrolment of pupils of the board, counting only pupils enrolled in grades 4, 5, 6, 7 and 8.
3. Multiply 0.0023 by the difference obtained by subtracting the amount determined in respect of the board under paragraph 10 of section 37 from the transportation allocation for the board for the fiscal year.
4. Multiply the student success, grades 7 to 12, demographic factor set out in Column 3 of Table 7 opposite the name of the board in Column 1 of that Table by \$10,648,494.
5. Multiply the 2006-2007 day school average daily enrolment of pupils of the board, counting only pupils enrolled in grades 9, 10, 11 and 12, by the dispersion distance in kilometres set out in Column 4 of Table 6 opposite the name of the board in Column 1 of that Table.
6. Multiply the amount determined in paragraph 5 by \$0.53.
7. Multiply the 2006-2007 day school average daily enrolment of pupils of the board, counting only pupils enrolled in grades 4, 5, 6, 7 and 8, by the dispersion distance in kilometres set out in Column 4 of Table 6 opposite the name of the board in Column 1 of that Table.
8. Multiply the amount determined in paragraph 7 by \$0.20.
9. Add the amounts determined under paragraphs 1, 2, 3, 4, 6 and 8.
10. Add \$147,908 to the sum determined under paragraph 9.

Continuing education and other programs allocation

35. (1) The amount of the continuing education and other programs allocation for a district school board for the fiscal year is determined as follows:

1. Determine the 2006-2007 day school average daily enrolment for the board, for the fiscal year, in accordance with section 2 of the 2006-2007 A.D.E. regulation, counting only pupils of the board who are at least 21 years of age on December 31, 2006.
2. Determine the continuing education average daily enrolment for the board for the fiscal year, in accordance with section 3 of the 2006-2007 A.D.E. regulation,

counting only pupils enrolled in classes or courses described in paragraphs 1, 2, 6 and 7 of subsection 3 (2) of that regulation and excluding,

- i. pupils to whom subsection 49 (6) of the Act applies, and
 - ii. pupils in respect of whom the board charges a fee under subsection 8 (4) of the 2006-2007 fees regulation.
3. Determine the summer school average daily enrolment for the board for the fiscal year, in accordance with section 4 of the 2006-2007 A.D.E. regulation, counting only pupils enrolled in classes or courses described in subclause (c) (i), (ii), (v) or (vi) of the definition of “summer school class or course” in subsection 4 (1) of that regulation, excluding pupils to whom subsection 49 (6) of the Act applies and pupils in respect of whom the board charges a fee under subsection 8 (5) of the 2006-2007 fees regulation.
 4. Add the numbers determined under paragraphs 1, 2 and 3.
 5. Multiply the total determined under paragraph 4 by \$2,587.
 6. Determine the amount for international languages for the board.
 7. Determine the amount for the board for prior learning assessment and recognition that is not provided as part of a day school program.
 8. Total the amounts determined under paragraphs 5, 6 and 7.

(2) Subsections (3) and (4) apply if a board establishes classes to provide instruction in a language other than English or French and the classes are approved by the Minister as part of an international languages elementary school program.

(3) Except as provided in subsection (4), the amount for international languages for the board is the number of hours of instruction provided by the board in classes described in subsection (2), multiplied by \$44.

(4) If the quotient obtained by dividing the number of elementary school pupils enrolled in classes described in subsection (2) that have been established by the board by the number of those classes is less than 25, the \$44 per hour rate specified in subsection (3) is reduced by the product of \$1 and the difference between the quotient and 25.

(5) The amount for the board for the fiscal year for prior learning assessment and recognition that is not provided as part of a day school program is the sum of the amounts determined under the following paragraphs:

1. Multiply \$104 by the number of mature students of the board who, during the school board fiscal year, received an individual student assessment for grade 9 or 10 credits

in accordance with section 6.6 of the document entitled “Ontario Secondary Schools, Grades 9 to 12 — Program and Diploma Requirements — 1999”, which is available as described in subsection 3 (4).

2. Multiply \$104 by the number of mature students of the board who, during the school board fiscal year, received an individual student equivalency assessment for grade 11 or 12 credits in accordance with section 6.6 of the document entitled “Ontario Secondary Schools, Grades 9 to 12 — Program and Diploma Requirements — 1999”, which is available as described in subsection 3 (4).
3. Multiply \$313 by the number of completed challenges for grades 11 and 12 credits undertaken during the school board fiscal year by mature students of the board in accordance with section 6.6 of the Ministry’s publication entitled “Ontario Secondary Schools Grades 9 to 12 — Program and Diploma Requirements — 1999”, which is available as described in subsection 3 (4).

(6) The following rules apply for purposes of subsection (5):

1. A pupil of the board is a mature student for the fiscal year if he or she is at least 18 years of age on December 31, 2006 and was not enrolled in a day school program in one or more prior school years.
2. In determining the number of completed challenges for grades 11 and 12 credits undertaken by mature students of the board, a full credit course is counted as one credit and a half credit course is counted as 0.5 credit.

Cost adjustment and teacher qualification and experience allocation

36. (1) In this section,

“AEFO” stands for l’Association des enseignantes et des enseignants franco-ontariens;
 (“AEFO”)

“AEFO certification” means the AEFO certification of Group 1, Group 2, Group 3 or Group 4;
 (“certification de l’AEFO”)

“OSSTF” stands for the Ontario Secondary School Teachers’ Federation; (“FEESO”)

“OSSTF certification” means the OSSTF certification of Group 1, Group 2, Group 3 or Group 4;
 (“certification de la FEESO”)

“QECCO” stands for Qualifications Evaluation Council of Ontario; (“COEQ”)

“QECCO category” means the QECCO category D, C, B, A1, A2, A3 or A4; (“catégorie du COEQ”)

“qualification category” means AEFO certification, OSSTF certification or QECO category;
 (“catégorie de qualifications”)

“teacher” includes a temporary teacher and does not include an occasional teacher.
 (“enseignant”)

(2) In this section, a cell of Table 8 is referred to by its qualification category co-ordinate followed by the number co-ordinate representing full years of teaching experience.

(3) For example, cell C-1 of Table 8 contains the number 0.6185 and cell A1/group 1-3 contains the number 0.7359.

(4) For the purposes of this section, the number of teachers employed by a board is the full-time equivalent number of persons employed by the board as of October 31, 2006 to teach.

(5) For the purposes of subsection (4), the counting practices usually followed by the board for staffing purposes must be followed, subject to the following rules:

1. A teacher who is not assigned to provide instruction to pupils of the board in a regular timetable that is in effect as of October 31, 2006 is not counted for the purposes of this section, unless the teacher satisfies the conditions described in subsection (6).
2. The provision of library instruction or guidance to pupils is considered the provision of instruction to pupils for the purposes of paragraphs 1, 3 and 4.
3. If a teacher is assigned in a regular timetable that is in effect as of October 31, 2006 to spend part of his or her time providing instruction to pupils of the board and is also assigned, as of that date, under section 17 of Regulation 298 of the Revised Regulations of Ontario, 1990 (Operation of Schools — General) made under the Act, to spend part of his or her time acting as a consultant, co-ordinator or supervisor, the full-time equivalency for the teacher is determined as follows:
 - i. Determine the average number of hours per day in the cycle that includes October 31, 2006 for which the teacher is regularly scheduled, in accordance with the timetable, to provide instruction to pupils of the board or to prepare for such instruction. For the purposes of this subparagraph, a count of hours is accurate to one decimal place.
 - ii. Divide the total determined under subparagraph i by 5.
4. If a principal or vice-principal is assigned in a regular timetable that is in effect as of October 31, 2006 to spend part of his or her time providing instruction to pupils of the board, the principal or vice-principal is counted as a teacher for the purposes of this section and his or her full-time equivalency as a teacher is determined as follows:

- i. Determine the average number of hours per day in the cycle that includes October 31, 2006 for which the principal or vice-principal is regularly scheduled, in accordance with the timetable, to provide instruction to pupils of the board. For the purposes of this subsection, a count of hours is accurate to one decimal place.
 - ii. Divide the number determined under subparagraph i by 5.
5. An occasional teacher who is assigned to provide instruction to pupils of the board in a regular timetable in effect on October 31, 2006 is not counted if the teacher the occasional teacher replaces is included in determining the number of teachers employed by the board under subsection (4) and the board can reasonably expect the teacher to resume instructional duties with the board in the fiscal year.

(6) For the purposes of paragraph 1 of subsection (5), a teacher is counted for the purposes of this section if he or she is on a leave of absence with pay on October 31, 2006 and the board is not reimbursed for the teacher's pay during the leave of absence.

(7) The number of full years of teaching experience of a teacher is deemed to be the teacher's number of years of teaching experience before the first day of the 2006-2007 school year, rounded to the nearest whole number if the teacher's number of years of teaching experience is not a whole number and, for this purpose, a number ending in .5 is considered to be nearer to the next whole number.

(8) If the number of full years of teaching experience of a teacher exceeds 10, the number of full years of teaching experience of the teacher is deemed to be 10.

(9) The number of full years of teaching experience of a principal or vice-principal is deemed to be 10.

(10) The following rules apply, as of October 31, 2006, to determine the qualification category of a teacher:

1. If a board uses an AEFO certification system for salary purposes in relation to a teacher employed by it, that AEFO certification system is used for that teacher for the purposes of this section.
2. If a board uses a QECO categories system for salary purposes in relation to a teacher employed by it, that QECO categories system is used for that teacher for the purposes of this section.
3. If a board uses an OSSTF certification system for salary purposes in relation to a teacher employed by it, that OSSTF certification system is used for that teacher for the purposes of this section.

4. Subject to paragraph 6, if a board does not use a QECO categories system for salary purposes in relation to an elementary school teacher employed by it, the classification system used by the board for elementary school teachers in filling out the 2005 Data Form A submitted to the Office of Collective Bargaining Information of the Ministry of Labour is used for that teacher for the purposes of this section.
5. Subject to paragraph 6, if a board does not use an AEFO certification system, a QECO categories system or an OSSTF certification system for salary purposes in relation to a secondary school teacher employed by it, the classification system used by the board for secondary school teachers in filling out the 2005 Data Form A submitted to the Office of Collective Bargaining Information of the Ministry of Labour is used for that teacher for the purposes of this section.
6. In the circumstances described in paragraph 4 or 5, the board may elect, by written notice to the Minister, to use the AEFO certification system, the QECO categories system referred to by QECO as QECO Programme Level 4 or the 1992 OSSTF certification system, instead of the classification system required under paragraph 4 or 5.
7. The qualification category of a principal or vice-principal is deemed to be A4/Group 4.
8. If the qualification category of a person is changed after October 31, 2006 and the change for salary purposes is retroactive to a day in the period between the first day of the 2006-2007 school year and October 31, 2006, the changed qualification category must be used for the purposes of this section.
9. The 2005 Data Form A, referred to in paragraphs 4 and 5, is available as described in subsection 3 (5).

(11) The amount of the cost adjustment and teacher qualification and experience allocation for a district school board is the total of,

- (a) the elementary school teacher qualification and experience allocation;
- (b) the secondary school teacher qualification and experience allocation; and
- (c) the amount set out in Column 2 of Table 9 opposite the name of the board.

(12) The amount of the elementary school teacher qualification and experience allocation for a district school board is determined as follows:

1. For each cell in Table 8, determine the number of teachers employed by the board to provide instruction to elementary school pupils who have the qualification category and the number of full years of teaching experience that correspond with the co-ordinates of the cell. For example, a teacher with a qualification category of D and

0.7 years of teaching experience is counted for the purposes of cell D-1 and a teacher with a qualification category of A2 or group 2 and 3.2 years of teaching experience is counted for the purposes of cell A2/group 2-3.

2. For each cell in Table 8, multiply the number of teachers employed by the board to provide instruction to elementary school pupils who are counted for the purposes of the cell by the number set out in that cell in that Table.
3. Add all the products obtained under paragraph 2 for the board.
4. Divide the sum determined under paragraph 3 by the total number of teachers employed by the board to provide instruction to elementary school pupils.
5. Subtract one from the number obtained under paragraph 4.
6. Multiply the result obtained under paragraph 5 by \$3,304.
7. Multiply the amount determined under paragraph 6 by the 2006-2007 day school average daily enrolment of elementary school pupils of the board.

(13) The amount of the secondary school teacher qualification and experience allocation for a district school board is determined as follows:

1. For each cell in Table 8, determine the number of teachers employed by the board to provide instruction to secondary school pupils who have the qualification category and the number of full years of teaching experience that correspond with the co-ordinates of the cell. For example, a teacher with a qualification category of D and 0.7 years of teaching experience is counted for the purposes of cell D-1 and a teacher with a qualification category of A2 or group 2 and 3.2 years of teaching experience is counted for the purposes of cell A2/group 2-3.
2. For each cell in Table 8, multiply the number of teachers employed by the board to provide instruction to secondary school pupils who are counted for the purposes of the cell by the number set out in that cell in that Table.
3. Add all the products obtained under paragraph 2 for the board.
4. Divide the sum determined under paragraph 3 by the total number of teachers employed by the board to provide instruction to secondary school pupils.
5. Subtract one from the number obtained under paragraph 4.
6. Multiply the result obtained under paragraph 5 by \$4,229.

7. Multiply the amount determined under paragraph 6 by the 2006-2007 day school average daily enrolment of secondary school pupils of the board.

Transportation allocation

37. The amount of the transportation allocation for a district school board for the fiscal year is determined as follows:

1. Take the amount determined in respect of the board under paragraph 7 of section 34 of the 2005-2006 grant regulation.
2. In the case of the Conseil scolaire de district catholique des Aurores boréales, add \$24,500 to the amount determined under paragraph 1.
3. Multiply the amount determined under paragraph 1 or 2, as the case may be, by 0.02.
4. Take the 2005-2006 day school average daily enrolment of pupils of the board, within the meaning of the 2005-2006 grant regulation.
5. Divide the 2006-2007 day school average daily enrolment of pupils of the board by the number determined under paragraph 4. If the quotient is less than 1, it is deemed to be 1.
6. Multiply the amount determined under paragraph 1 or 2, as the case may be, by the number determined under paragraph 5.
7. Total the amounts determined under paragraphs 3 and 6.
8. Multiply the amount determined under paragraph 1 or 2, as the case may be, by 0.0021.
9. Add the amount determined under paragraph 7 to the greater of the amount determined under paragraph 8 and \$3,333.
10. Determine the board's expenditure in the fiscal year that is approved by the Minister, based on submissions by the board, in respect of transportation to and from the Ontario School for the Blind, an Ontario School for the Deaf or a demonstration school established by or operated under an agreement with the Minister for pupils with severe communicational exceptionalities.
11. Total the amounts determined under paragraphs 9 and 10.

Administration and governance allocation

38. (1) The amount of the administration and governance allocation for a district school board for the fiscal year is the total of the amounts listed in the following paragraphs:

1. The amount determined under subsection (2) for the board for board members' honoraria and expenses and for expenses relating to pupil representation.
2. The amount determined under subsection (4) for the board for directors of education and supervisory officers.
3. The amount determined under subsection (5) for the board for administration costs.
4. The amount determined under subsection (6) for the board for multiple municipalities.

(2) The amount for the board for board members' honoraria and expenses and for expenses relating to pupil representation is determined as follows:

1. Multiply the number of members on the board by \$5,000 to determine the amount of board members' honoraria. For the purposes of this paragraph and paragraph 2, the number of members on the board is the sum of,
 - i. the number of members determined for the board under subclause 58.1 (2) (k) (i) of the Act or, if a resolution referred to in subsection 58.1 (10.1) of the Act is in effect, the number of members specified in the resolution, and
 - ii. the number of Native representatives determined for the board under subsection 188 (5) of the Act.
2. Multiply the number of members on the board by \$5,000, to determine the amount of board members' expenses.
3. Total the products obtained under paragraphs 1 and 2.
4. Add \$10,000 to the amount determined under paragraph 3, for additional honoraria for the chair and vice-chair.
5. Add \$5,000 to the amount determined under paragraph 4, for expenses relating to pupil representation.

(3) For the purposes of subsection (4), pupils are counted on the basis of the 2006-2007 day school average daily enrolment of pupils of the board.

(4) The amount for the board for directors of education and supervisory officers is determined as follows:

1. Allow \$472,906 as a base amount.
2. Allow \$12.05 per pupil for the first 10,000 pupils of the board.

3. Allow \$17.60 per pupil for the next 10,000 pupils of the board.
4. Allow \$24.20 per pupil for the remaining pupils of the board.
5. Total the amounts allowed under paragraphs 1 to 4.
6. Add 2.17 per cent of the amount of the board's remote and rural allocation for the year.
7. Add 0.62 per cent of the total of the amounts determined for the board under paragraph 1 of subsection 34 (1).
8. Add 1 per cent of the total of the amounts determined for the board under subsection 39 (11) for new pupil places, subsection 39 (12) for primary class size reduction and subsection 39 (14) for growth schools.

(5) The amount for the board for administration costs is determined as follows:

1. Allow \$88,793 as a base amount.
2. Add the product of \$192.33 and the 2006-2007 day school average daily enrolment of pupils of the board.
3. Add 11.94 per cent of the amount of the board's remote and rural allocation for the year.
4. Add 0.62 per cent of the total of the amounts determined for the board under paragraph 1 of subsection 34 (1).
5. Add 1 per cent of the total of the amounts determined for the board under subsection 39 (11) for new pupil places, subsection 39 (12) for primary class size reduction and subsection 39 (14) for growth schools.

(6) The amount, if any, for a board for multiple municipalities is the amount determined under the following rules:

1. If, on September 1, 2006, there are at least 30 but not more than 49 municipalities situated wholly or partly within the board's area of jurisdiction, the amount is determined using the following formula:

$$(n - 29) \times \$500$$

in which,

“n” is the number of those municipalities.

2. If, on September 1, 2006, there are at least 50 but not more than 99 municipalities situated wholly or partly within the board’s area of jurisdiction, the amount is determined using the following formula:

$$\$10,000 + [(n - 49) \times \$750]$$

in which,

“n” is the number of those municipalities.

3. If, on September 1, 2006, there are at least 100 municipalities situated wholly or partly within the board’s area of jurisdiction, the amount is determined using the following formula:

$$\$47,500 + [(n - 99) \times \$1,000]$$

in which,

“n” is the number of those municipalities.

(7) For the purposes of subsection (6), a deemed district municipality is not counted as a municipality.

Pupil accommodation allocation

39. (1) The amount of the pupil accommodation allocation for a district school board for the fiscal year is the total of the amounts specified in subsection (2).

(2) The amounts mentioned in subsection (1) are the following:

1. The amount for school operations.
2. The amount for school renewal.
3. The amount for new pupil places.
4. The amount for primary class size reduction.
5. The amount for growth schools.
6. The amount for outstanding capital commitments.

(3) The amount for the board for the fiscal year for school operations is determined as follows:

1. Determine the 2006-2007 day school average daily enrolment of elementary school pupils of the board.

2. Multiply the number determined under paragraph 1 by the benchmark area requirement per pupil of 9.7 metres squared to obtain the elementary school area requirement for the board.
3. Determine the adjusted elementary school area requirement for the board in metres squared by applying, to the amount determined under paragraph 2, the supplementary elementary school area factor approved for the board by the Minister in accordance with subsections (4) and (5).
4. Determine the day school average daily enrolment for the board for the 2006-2007 fiscal year, in accordance with section 2 of the 2006-2007 day school A.D.E. regulation, counting only pupils who are at least 21 years of age on December 31, 2006.
5. Determine the continuing education average daily enrolment for the board for the 2006-2007 fiscal year, in accordance with section 3 of the 2006-2007 A.D.E. regulation, counting only pupils enrolled in a course for which the pupil may earn a credit and in which instruction is given between 8 a.m. and 5 p.m. and excluding,
 - i. pupils enrolled in a continuing education course delivered primarily through means other than classroom instruction,
 - ii. pupils to whom subsection 49 (6) of the Act applies, and
 - iii. pupils in respect of whom the board charges a fee under subsection 8 (4) of the 2006-2007 fees regulation.
6. Determine the summer school average daily enrolment for the board for the fiscal year, in accordance with section 4 of the 2006-2007 A.D.E. regulation, excluding,
 - i. pupils to whom subsection 49 (6) of the Act applies, and
 - ii. pupils in respect of whom the board charges a fee under subsection 8 (5) of the 2006-2007 fees regulation.
7. Take the total number of pupil places in education programs provided by the board that are qualifying education programs within the meaning of subsection 23 (2) for which instruction is provided on board premises.
8. Add the numbers determined under paragraphs 4, 5, 6 and 7.
9. Multiply the total determined under paragraph 8 by the benchmark area requirement per pupil of 9.29 metres squared, to obtain the continuing education and other programs area requirement for the board.

10. Determine the adjusted continuing education and other programs area requirement for the board in metres squared by applying, to the amount determined under paragraph 9, the supplementary continuing education and other programs area factor approved for the board by the Minister in accordance with subsection (6).
11. Determine the 2006-2007 day school average daily enrolment of secondary school pupils of the board.
12. Multiply the number determined under paragraph 11 by the benchmark area requirement per pupil of 12.07 metres squared to obtain the secondary school area requirement for the board.
13. Determine the adjusted secondary school area requirement for the board in metres squared by applying, to the amount determined under paragraph 12, the supplementary secondary school area factor approved for the board by the Minister in accordance with subsection (8).
14. Obtain the adjusted total area requirement for the board in metres squared by adding the following amounts:
 - i. The adjusted elementary school area requirement for the board determined under paragraph 3.
 - ii. The adjusted continuing education and other programs area requirement for the board determined under paragraph 10.
 - iii. The adjusted secondary school area requirement for the board determined under paragraph 13.
15. Multiply the number obtained under paragraph 14 by the benchmark operating cost of \$64.28 per metre squared.
16. For each elementary school of the board, calculate a top-up amount for school operations as follows:
 - i. Determine the 2006-2007 enrolment.
 - ii. Determine the capacity of the school, in terms of pupil places, in accordance with subsection (49). However, the capacity of a school for which the number determined under subparagraph i is zero is deemed, for the purposes of this paragraph, to be zero.
 - iii. Multiply the number determined under subparagraph i by the benchmark area requirement per pupil of 9.7 metres squared.

- iv. Multiply the number determined under subparagraph iii by the benchmark operating cost of \$64.28 per metre squared.
 - v. Multiply the number determined under subparagraph iv by the supplementary elementary school area factor approved for the board by the Minister in accordance with subsections (4) and (5).
 - vi. Multiply the capacity of the school, in terms of pupil places, as determined under subparagraph ii, by the benchmark area requirement per pupil of 9.7 metres squared.
 - vii. Multiply the number determined under subparagraph vi by the benchmark operating cost of \$64.28 per metre squared.
 - viii. Multiply the number determined under subparagraph vii by the supplementary elementary school area factor approved for the board by the Minister in accordance with subsections (4) and (5).
 - ix. Multiply the number determined under subparagraph viii by 0.2.
 - x. Subtract the number determined under subparagraph v from the number determined under subparagraph viii.
 - xi. Take the lesser of the number determined under subparagraph ix and the number determined under subparagraph x to obtain the top-up amount for school operations for the elementary school. However, if the number determined under subparagraph x is zero or a negative number or if the number determined under subparagraph i is zero, the top-up amount for school operations for the elementary school is zero.
17. Total the top-up amounts determined under paragraph 16 for each elementary school of the board.
 18. Total the amounts that were determined for each elementary school of the board under paragraph 15 of subsection 37 (3) of the 2003-2004 grant regulation.
 19. Subtract the amount determined under paragraph 18 from the amount that was determined in respect of the board under paragraph 16.2 of subsection 37 (3) of the 2003-2004 grant regulation.
 20. Subtract from the amount determined under paragraph 19 the sum of the amounts set out in Column 6 of Table 3 of the 2005-2006 grant regulation opposite the names of elementary schools of the board.

21. Add to the amount determined under paragraph 20 the sum of the amounts set out in Column 6 of Table 4 of the 2005-2006 grant regulation opposite the names of elementary schools of the board.
22. Calculate the total of the amounts determined under paragraph 16 for each rural elementary school of the board.
23. For every school of the board that meets the following criteria, subtract the amount determined under paragraph 15 of subsection 37 (3) of the 2003-2004 grant regulation in respect of the school from the amount determined in respect of the school under paragraph 16.1 of that subsection of that regulation:
 - i. The school is a rural elementary school of the board.
 - ii. The school is a distant elementary school of the board, within the meaning of subsection 29 (2.1) of the 2003-2004 grant regulation.
 - iii. The school is not listed in Column 3 of Table 3 of the 2005-2006 grant regulation.
24. Calculate the total of the amounts determined in respect of schools of the board under paragraph 23.
25. Add the amounts determined under paragraphs 22 and 24 to the total of the amounts set out in Column 6 of Table 4 of the 2005-2006 grant regulation opposite the names of elementary schools of the board that are rural elementary schools.
26. Subtract the amount determined under paragraph 25 from the total of the amounts determined in respect of rural elementary schools of the board under subparagraph 16 x. If the difference is negative, it is deemed to be zero.
27. For each secondary school of the board, calculate a top-up amount for school operations as follows:
 - i. Determine the 2006-2007 enrolment.
 - ii. Determine the capacity of the school, in terms of pupil places, in accordance with subsection (50). However, the capacity of a school for which the number determined under subparagraph i is zero is deemed, for the purposes of this paragraph, to be zero.
 - iii. Multiply the number determined under subparagraph i by the benchmark area requirement per pupil of 12.07 metres squared.

- iv. Multiply the number determined under subparagraph iii by the benchmark operating cost of \$64.28 per metre squared.
 - v. Multiply the number determined under subparagraph iv by the supplementary secondary school area factor approved for the board by the Minister in accordance with subsection (8).
 - vi. Multiply the capacity of the school, in terms of pupil places, as determined under subparagraph ii, by the benchmark area requirement per pupil of 12.07 metres squared.
 - vii. Multiply the number determined under subparagraph vi by the benchmark operating cost of \$64.28 per metre squared.
 - viii. Multiply the number determined under subparagraph vii by the supplementary secondary school area factor approved for the board by the Minister in accordance with subsection (8).
 - ix. Multiply the number determined under subparagraph viii by 0.2.
 - x. Subtract the number determined under subparagraph v from the number determined under subparagraph viii.
 - xi. Take the lesser of the number determined under subparagraph ix and the number determined under subparagraph x to obtain the top-up amount for school operations for the secondary school. However, if the number determined under subparagraph x is zero or a negative number or if the number determined under subparagraph i is zero, the top-up amount for school operations for the secondary school is zero.
28. Total the top-up amounts for school operations determined under paragraph 27 for each secondary school of the board.
 29. Total the amounts that were determined for each secondary school of the board under paragraph 17 of subsection 37 (3) of the 2003-2004 grant regulation.
 30. Subtract the amount determined under paragraph 29 from the amount that was determined in respect of the board under paragraph 18.2 of subsection 37 (3) of the 2003-2004 grant regulation.
 31. Subtract from the amount determined under paragraph 30 the sum of the amounts set out in Column 6 of Table 3 of the 2005-2006 grant regulation opposite the names of secondary schools of the board.

32. Add to the amount determined under paragraph 31 the sum of the amounts set out in Column 6 of Table 4 of the 2005-2006 grant regulation opposite the names of secondary schools of the board.
33. Calculate the total of the amounts determined under paragraph 27 for each rural secondary school of the board.
34. For every school of the board that meets the following criteria, subtract the amount determined under paragraph 17 of subsection 37 (3) of the 2003-2004 grant regulation in respect of the school from the amount determined in respect of the school under paragraph 18.1 of that subsection of that regulation:
 - i. The school is a rural secondary school of the board.
 - ii. The school is a distant secondary school of the board, within the meaning of subsection 29 (2.6) of the 2003-2004 grant regulation.
 - iii. The school is not listed in Column 4 of Table 3 of the 2005-2006 grant regulation.
35. Calculate the total of the amounts determined in respect of schools of the board under paragraph 34.
36. Add the amounts determined under paragraphs 33 and 35 to the total of the amounts set out in Column 6 of Table 4 of the 2005-2006 grant regulation opposite the names of secondary schools of the board that are rural secondary schools.
37. Subtract the amount determined under paragraph 36 from the total of the amounts determined in respect of rural secondary schools of the board under subparagraph 27 x. If the difference is negative, it is deemed to be zero.
38. Take the lesser of,
 - i. the amount for renewal software licensing fees set out in Column 2 of Table 10 opposite the name of the board, and
 - ii. the board's expenditure for renewal software licensing fees as reported to the Ministry in the board's annual financial statements for the school board fiscal year.
39. Take the community use of schools compensation amount set out in Column 2 of Table 11 opposite the name of the board.
40. Total the amounts determined under paragraphs 15, 17, 21, 26, 28, 32, 37, 38 and 39 to obtain the amount for the board for school operations.

(4) For the purposes of paragraph 3 of subsection (3), the Minister shall approve a supplementary elementary school area factor for a board that the Minister considers appropriate in order to make allowance for any disproportionate space needs that are particular to the board and that are caused by,

- (a) the fact that the board is operating a school that can reasonably be considered to be too large for the community it serves, whether because of declining enrolment or for some other reason;
- (b) the fact that the board is operating a school in a building, the physical characteristics of which can reasonably be considered to be neither compatible with nor easily modified to conform to the benchmark area requirements referred to in subsection (3);
- (c) the fact that the board has disproportionately high space requirements because the board serves a disproportionately high number of pupils in special education programs or in other education programs with high space requirements; or
- (d) other circumstances approved by the Minister.

(5) In determining an amount for the purposes of subsection (4), the Minister shall have regard to the effect of the circumstances referred to in clauses (4) (a) to (d) on the board's space needs.

(6) Subject to subsection (7), subsections (4) and (5) apply with necessary modifications to require the Minister to approve a supplementary continuing education and other programs area factor for a board and, for that purpose, a reference to elementary school area is deemed to be a reference to continuing education and other programs area.

(7) The Minister shall not approve a factor for a board under subsection (6) that is greater than the factor approved for the board under subsection (8).

(8) Subsections (4) and (5) apply with necessary modifications to require the Minister to approve a supplementary secondary school area factor for a board and, for that purpose, a reference to elementary school area is deemed to be a reference to secondary school area.

(9) The amount for the board for school renewal is determined as follows:

1. Take the percentage of the total elementary school area of the board that relates to buildings that are less than 20 years old, as set out in Column 2 of Table 12 opposite the name of the board.
2. Apply the percentage referred to in paragraph 1 to the benchmark renewal cost per metre squared of \$7.03.

3. Take the percentage of the total elementary school area of the board that relates to buildings that are 20 years old or older, as set out in Column 3 of Table 12 opposite the name of the board.
4. Apply the percentage referred to in paragraph 3 to the benchmark renewal cost per metre squared of \$10.54.
5. Add the amounts obtained under paragraphs 2 and 4, to obtain a weighted average benchmark elementary school renewal cost per metre squared.
6. Multiply the amount obtained under paragraph 5 by the adjusted elementary school area requirement for the board determined under paragraph 3 of subsection (3).
7. Take the percentage of the total secondary school area of the board that relates to buildings that are less than 20 years old, set out in Column 4 of Table 12 opposite the name of the board.
8. Apply the percentage referred to in paragraph 7 to the benchmark renewal cost per metre squared of \$7.03.
9. Take the percentage of the total secondary school area of the board that relates to buildings that are 20 years old or older, as set out in Column 5 of Table 12 opposite the name of the board.
10. Apply the percentage referred to in paragraph 9 to the benchmark renewal cost per metre squared of \$10.54.
11. Add the amounts obtained under paragraphs 8 and 10, to obtain a weighted average benchmark secondary school renewal cost per metre squared.
12. Multiply the amount obtained under paragraph 11 by the adjusted secondary school area requirement for the board determined under paragraph 13 of subsection (3).
13. Multiply the amount obtained under paragraph 11 by the adjusted continuing education and other programs area requirement for the board determined under paragraph 10 of subsection (3).
14. For each elementary school of the board, calculate a top-up amount for school renewal as follows:
 - i. Determine the 2006-2007 enrolment.
 - ii. Determine the capacity of the school, in terms of pupil places, in accordance with subsection (49). However, the capacity of a school for which the

number determined under subparagraph i is zero is deemed, for the purposes of this paragraph, to be zero.

- iii. Multiply the number determined under subparagraph i by the benchmark area requirement per pupil of 9.7 metres squared.
 - iv. Multiply the number determined under subparagraph iii by the weighted average benchmark elementary school renewal cost per metre squared, as determined for the board under paragraph 5.
 - v. Multiply the number determined under subparagraph iv by the supplementary elementary school area factor approved for the board by the Minister in accordance with subsections (4) and (5).
 - vi. Multiply the capacity of the school, in terms of pupil places, as determined under subparagraph ii, by the benchmark area requirement per pupil of 9.7 metres squared.
 - vii. Multiply the number determined under subparagraph vi by the weighted average benchmark elementary school renewal cost per metre squared, as determined for the board under paragraph 5.
 - viii. Multiply the number determined under subparagraph vii by the supplementary elementary school area factor approved for the board by the Minister in accordance with subsections (4) and (5).
 - ix. Multiply the number determined under subparagraph viii by 0.2.
 - x. Subtract the number determined under subparagraph v from the number determined under subparagraph viii.
 - xi. Take the lesser of the number determined under subparagraph ix and the number determined under subparagraph x to obtain the top-up amount for school renewal for the elementary school. However, if the number determined under subparagraph x is zero or a negative number or if the number determined under subparagraph i is zero, the top-up amount for school renewal for the elementary school is zero.
15. Total the top-up amounts for school renewal determined under paragraph 14 for each elementary school of the board.
 16. Total the amounts that were determined for each elementary school of the board under paragraph 14 of subsection 37 (9) of the 2003-2004 grant regulation.

17. Subtract the amount determined under paragraph 16 from the amount that was determined in respect of the board under paragraph 15 of subsection 37 (9) of the 2003-2004 grant regulation.
18. Subtract from the amount determined under paragraph 17 the sum of the amounts set out in Column 7 of Table 3 of the 2005-2006 grant regulation opposite the names of elementary schools of the board.
19. Add to the amount determined under paragraph 18 the sum of the amounts set out in Column 7 of Table 4 of the 2005-2006 grant regulation opposite the names of elementary schools of the board.
20. Calculate the total of the amounts determined under paragraph 14 for each rural elementary school of the board.
21. For every school of the board that meets the following criteria, subtract the amount determined under paragraph 14 of subsection 37 (9) of the 2003-2004 grant regulation in respect of the school from the amount determined in respect of the school under paragraph 14.1 of that subsection of that regulation:
 - i. The school is a rural elementary school of the board.
 - ii. The school is a distant elementary school of the board, within the meaning of subsection 29 (2.6) of the 2003-2004 grant regulation.
 - iii. The school is not listed in Column 3 of Table 3 of the 2005-2006 grant regulation.
22. Calculate the total of the amounts determined in respect of schools of the board under paragraph 21.
23. Add the amounts determined under paragraphs 20 and 22 to the total of the amounts set out in Column 7 of Table 4 of the 2005-2006 grant regulation opposite the names of elementary schools of the board that are rural elementary schools.
24. Subtract the amount determined under paragraph 23 from the total of the amounts determined in respect of rural elementary schools of the board under subparagraph 14 x. If the difference is negative, it is deemed to be zero.
25. For each secondary school of the board, calculate a top-up amount for school renewal as follows:
 - i. Determine the 2006-2007 enrolment.

- ii. Determine the capacity of the school, in terms of pupil places, in accordance with subsection (50). However, the capacity of a school for which the number determined under subparagraph i is zero is deemed, for the purposes of this paragraph, to be zero.
 - iii. Multiply the number determined under subparagraph i by the benchmark area requirement per pupil of 12.07 metres squared.
 - iv. Multiply the number determined under subparagraph iii by the weighted average benchmark secondary school renewal cost per metre squared, as determined for the board under paragraph 11.
 - v. Multiply the number determined under subparagraph iv by the supplementary secondary school area factor approved for the board by the Minister in accordance with subsection (8).
 - vi. Multiply the capacity of the school, in terms of pupil places, as determined under subparagraph ii, by the benchmark area requirement per pupil of 12.07 metres squared.
 - vii. Multiply the number determined under subparagraph vi by the weighted average benchmark secondary school renewal cost per metre squared, as determined for the board under paragraph 11.
 - viii. Multiply the number determined under subparagraph vii by the supplementary secondary school area factor approved for the board by the Minister in accordance with subsection (8).
 - ix. Multiply the number determined under subparagraph viii by 0.2.
 - x. Subtract the number determined under subparagraph v from the number determined under subparagraph viii.
 - xi. Take the lesser of the number determined under subparagraph ix and the number determined under subparagraph x to obtain the top-up amount for school renewal for the secondary school. However, if the number determined under subparagraph x is zero or a negative number or if the number determined under subparagraph i is zero, the top-up amount for school renewal for the secondary school is zero.
26. Total the top-up amounts for school renewal determined under paragraph 25 for each secondary school of the board.
 27. Total the amounts that were determined for each secondary school of the board under paragraph 16 of subsection 37 (9) of the 2003-2004 grant regulation.

28. Subtract the amount determined under paragraph 27 from the amount that was determined in respect of the board under paragraph 17 of subsection 37 (9) of the 2003-2004 grant regulation.
29. Subtract from the amount determined under paragraph 28 the sum of the amounts set out in Column 7 of Table 3 of the 2005-2006 grant regulation opposite the names of secondary schools of the board.
30. Add to the amount determined under paragraph 29 the sum of the amounts set out in Column 7 of Table 4 of the 2005-2006 grant regulation opposite the names of secondary schools of the board.
31. Calculate the total of the amounts determined under paragraph 25 for each rural secondary school of the board.
32. For every school of the board that meets the following criteria, subtract the amount determined under paragraph 16 of subsection 37 (9) of the 2003-2004 grant regulation in respect of the school from the amount determined in respect of the school under paragraph 16.1 of that subsection of that regulation:
 - i. The school is a rural secondary school of the board.
 - ii. The school is a distant secondary school of the board, within the meaning of subsection 29 (2.6) of the 2003-2004 grant regulation.
 - iii. The school is not listed in Column 4 of Table 3 of the 2005-2006 grant regulation.
33. Calculate the total of the amounts determined in respect of schools of the board under paragraph 32.
34. Add the amounts determined under paragraphs 31 and 33 to the total of the amounts set out in Column 7 of Table 4 of the 2005-2006 grant regulation opposite the names of secondary schools of the board that are rural secondary schools.
35. Subtract the amount determined under paragraph 34 from the total of the amounts determined in respect of rural secondary schools of the board under subparagraph 25 x. If the difference is negative, it is deemed to be zero.
36. Take the amount for school renewal enhancement set out opposite the name of the board in Table 13.
37. Total the amounts determined under paragraphs 6, 12, 13, 15, 24, 26, 35 and 36.

38. Multiply the sum determined under paragraph 37 by the geographic adjustment factor specified for the board in Column 3 of Table 14.
39. Total the amounts determined under paragraphs 19, 30 and 38.
40. Determine the amount of interest that the board has paid or for which it is liable in connection with the financing of urgent and high priority renewal projects described in subsection (10), as follows:
 - i. Determine the portion of the cost of urgent and high priority renewal projects in Stage 1, set out in Column 2 of Table 15 opposite the name of the board, that was incurred by the board in the 2004-2005, 2005-2006 and 2006-2007 school board fiscal years for construction or renovation work that began on or after March 18, 2005.
 - ii. Determine the portion of the cost of urgent and high priority renewal projects in Stage 2, set out in Column 3 of Table 15 opposite the name of the board, that was incurred by the board in the 2005-2006 and 2006-2007 school board fiscal years for construction or renovation work that began on or after January 1, 2006.
 - iii. Add the amounts determined under subparagraphs i and ii.
 - iv. Determine the portion of the amount determined under subparagraph iii in respect of which the board incurred short-term interest.
 - v. Take the lesser of,
 - A. the amount of short-term interest incurred by the board in the 2006-2007 fiscal year in respect of the amount determined under subparagraph iv, and
 - B. the amount of short-term interest that the board would incur in the 2006-2007 fiscal year in respect of the amount determined under subparagraph iv, if each amount borrowed were subject to an annual interest rate of not more than 0.13 per cent greater than the annual interest rate for three-month bankers' acceptances applicable at the time of borrowing.
 - vi. Determine the portion of the amount determined under subparagraph iii in respect of which the board did not incur interest.
 - vii. Determine the amount of short-term interest that the board would incur in the 2006-2007 fiscal year in respect of the portion referred to in subparagraph vi if the amount of each cost making up the portion were borrowed on the date

that it was withdrawn from reserves of the board, at the annual interest rate for three-month bankers' acceptances applicable on September 1, 2006.

viii. Add the amounts, if any, determined under subparagraphs v and vii.

41. Add the amount determined under paragraph 39 to the amount determined under paragraph 40.

(10) For the purposes of paragraph 40 of subsection (9), an urgent and high priority renewal project is a project that,

- (a) is at a school of the board listed in Appendix B of the document entitled "Good Places to Learn: Stage 1 Funding Allocation", or in Appendix C of the document entitled "Good Places to Learn: Stage 2 Funding Allocation", which are available as described in subsection 3 (6); and
- (b) has been approved by the Minister, as indicated in the document mentioned in clause (a), on the basis that the project addresses an urgent and high priority renewal need at the school.

(11) The amount for the board for the fiscal year for new pupil places is determined as follows:

1. Determine the number of new elementary pupil places that the board reports, by August 31, 2005, were constructed by September 30, 2003 and financed in whole or in part with amounts calculated for the board under a predecessor of this subsection. For the purpose, a new pupil place shall be determined by the board in accordance with the Instruction Guide, which is available as described in subsection 3 (1). The board shall make the report on a form specified by the Minister.
2. Determine the number of new elementary pupil places that have been constructed by September 30, 2006, that are under construction on that date, or for which the board has awarded a tender for construction on or before that date.
3. Determine the number of new elementary pupil places that have been constructed by March 31, 2007, that are under construction on that date, or for which the board has awarded a tender for construction on or before that date.
4. Determine the construction costs that are reported by August 31, 2007 on a form specified by the Minister, for projects that make permanent additions to elementary schools with respect to instructional spaces to which a loading of zero applies, as determined under subsection (22), where,
 - i. construction of the project is completed by September 30, 2006,

- ii. the project is under construction on that date, or
 - iii. the board has awarded a tender for construction of the project on or before that date.
5. Determine the amount that is payable in the 2006-2007 fiscal year if the amount determined under paragraph 4 is amortized over 25 years at an annual interest rate of 5.25 per cent, with no compounding.
6. Determine the construction costs that are reported by August 31, 2007 on a form specified by the Minister, for projects that make permanent additions to elementary schools with respect to instructional spaces to which a loading of zero applies, as determined under subsection (22), where,
 - i. construction of the project is completed by March 31, 2007,
 - ii. the project is under construction on that date, or
 - iii. the board has awarded a tender for construction of the project on or before that date.
7. Determine the amount that is payable in the 2006-2007 fiscal year if the amount determined under paragraph 6 is amortized over 25 years at an annual interest rate of 5.25 per cent, with no compounding.
8. Determine the leasing costs for new elementary pupil places paid in the 2006-2007 fiscal year and reported by August 31, 2007 on a form specified by the Minister.
9. Determine the costs for temporary accommodation of new elementary pupil places that are incurred in the 2006-2007 fiscal year and reported by August 31, 2007 on a form specified by the Minister, where the accommodation costs do not include amounts determined under paragraph 8.
10. Determine the amount that is payable in the 2006-2007 fiscal year if the amount determined under paragraph 9 is amortized over 25 years at an annual interest rate of 5.25 per cent, with no compounding.
11. Total the amounts determined under paragraphs 8 and 10.
12. Multiply the number determined under paragraph 1 by the pre-September, 2005, benchmark area requirement per pupil of 9.29 metres squared.
13. Multiply the product determined under paragraph 12 by the pre-September, 2004, benchmark construction cost of \$118.40 per metre squared.

14. Multiply the amount determined under paragraph 13 by the geographic adjustment factor set out in Column 2 of Table 14 opposite the name of the board.
15. Subtract the number determined under paragraph 1 from the number determined under paragraph 2.
16. Multiply the number determined under paragraph 15 by the benchmark area requirement per pupil of 9.7 metres squared.
17. Multiply the product determined under paragraph 16 by the benchmark construction cost of \$120.77 per metre squared.
18. Multiply the amount determined under paragraph 17 by the geographic adjustment factor set out in Column 3 of Table 14 opposite the name of the board.
19. Subtract the number determined under paragraph 2 from the number determined under paragraph 3.
20. Multiply the number determined under paragraph 19 by the benchmark area requirement per pupil of 9.7 metres squared.
21. Multiply the product determined under paragraph 20 by the benchmark construction cost of \$120.77 per metre squared.
22. Multiply the amount determined under paragraph 21 by the geographic adjustment factor set out in Column 3 of Table 14 opposite the name of the board.
23. Subtract the amount determined under paragraph 5 from the amount determined under paragraph 7.
24. Total the amounts determined under paragraphs 22 and 23.
25. Multiply the amount determined under paragraph 24 by 0.37.
26. Total the amounts determined under paragraphs 5, 11, 14, 18 and 25.
27. For each elementary facility of the board that was also an elementary facility in the 2005-2006 fiscal year, apply the loadings determined under subsection 37 (16) of the 2004-2005 grant regulation to the instructional spaces of the facility, as categorized under that subsection.
28. Total the numbers determined under paragraph 27 for the elementary facilities of the board.

29. Total the numbers, if any, determined in respect of the board under the following provisions:
 - i. Subsection (24), if it applies as described in subsection (23).
 - ii. Subsection (35), if it applies as described in subsection (34).
 - iii. Subsection (38), if it applies as described in subsection (37).
 - iv. Paragraph 2 of subsection 36 (18) of the 2005-2006 grant regulation.
 - v. Paragraph 2 of subsection 36 (29) of the 2005-2006 grant regulation.
 - vi. Paragraph 4 of subsection 36 (32) of the 2005-2006 grant regulation.
30. Subtract the number determined under paragraph 29 from the number determined under paragraph 28.
31. Add to the number determined under paragraph 30 the sum of the numbers, if any, determined in respect of the board under the following provisions:
 - i. Subsection (27), if it applies as described in subsection (26).
 - ii. Subsection (32), if it applies as described in subsection (30).
 - iii. Subsection (40).
 - iv. Subsection (42).
 - v. Subsection (45), if it applies as described in subsection (44).
 - vi. Paragraph 2 of subsection 36 (21) of the 2005-2006 grant regulation.
 - vii. Paragraph 4 of subsection 36 (26) of the 2005-2006 grant regulation.
 - viii. Paragraph 5 of subsection 36 (34) of the 2005-2006 grant regulation.
 - ix. Subsection 36 (36) of the 2005-2006 grant regulation.
 - x. Paragraph 5 of subsection 36 (39) of the 2005-2006 grant regulation.
32. Subtract the number determined under paragraph 31 from the 2006-2007 day school average daily enrolment of elementary school pupils of the board. If the difference is negative, the number determined under this paragraph is deemed to be zero.

33. Add to the number determined under paragraph 32 the sum of the numbers, if any, each of which is the number of the board's new pupil places to meet elementary enrolment pressures as calculated for a prior school board fiscal year.
34. Add to the number determined under paragraph 33 the sum of the numbers, if any, of new elementary pupil places that are needed for the purpose of accounting for the capital transitional adjustment, set out in Column 4 of Table 16 opposite the name of the board.
35. Add to the number determined under paragraph 34 the number, if any, of new elementary pupil places that are needed for the 2005 capital policy adjustment, set out in Column 2 of Table 17 opposite the name of the board.
36. Subtract the number determined in respect of the board under paragraph 2 of subsection 37 (10) of the 2003-2004 grant regulation from the number determined in respect of the board under paragraph 3.2 of that subsection of that regulation. If the difference is negative, the number determined under this paragraph is deemed to be zero.
37. Total the numbers determined under paragraphs 35 and 36.
38. Add to the number determined under paragraph 37 the number, if any, of the board's new pupil places in respect of its elementary schools for which the cost of repair is prohibitive as calculated for a prior school board fiscal year.
39. If the number determined under paragraph 32 is zero, add to the number determined under paragraph 38 the number, if any, of the board's new pupil places to meet elementary enrolment pressures as determined under subsection (17).
40. Take the lesser of the numbers determined under,
 - i. paragraph 1, and
 - ii. paragraph 38 or 39, as the case may be.
41. Subtract the number determined under paragraph 40 from the number determined under paragraph 38 or 39, as the case may be.
42. Multiply the number determined under paragraph 40 by the pre-September, 2005, benchmark area requirement per pupil of 9.29 metres squared.
43. Multiply the product determined under paragraph 42 by the pre-September, 2004, benchmark construction cost of \$118.40 per metre squared.

44. Multiply the amount determined under paragraph 43 by the geographic adjustment factor set out in Column 2 of Table 14 opposite the name of the board.
45. Multiply the number determined under paragraph 41 by the benchmark area requirement per pupil of 9.7 metres squared.
46. Multiply the product determined under paragraph 45 by the benchmark construction cost of \$120.77 per metre squared.
47. Multiply the amount determined under paragraph 46 by the geographic adjustment factor set out in Column 3 of Table 14 opposite the name of the board.
48. Total the amounts determined under paragraphs 44 and 47.
49. Determine the number of new secondary pupil places that the board reports, by August 31, 2005, were constructed by September 30, 2003 and financed in whole or in part with amounts calculated for the board under a predecessor of this subsection. For the purpose, a new pupil place shall be determined by the board in accordance with the Instruction Guide, which is available as described in subsection 3 (1). The board shall make the report on a form specified by the Minister.
50. Determine the number of new secondary pupil places that have been constructed by September 30, 2006, that are under construction on that date, or for which the board has awarded a tender for construction on or before that date.
51. Determine the number of new secondary pupil places that have been constructed by March 31, 2007, that are under construction on that date, or for which the board has awarded a tender for construction on or before that date.
52. Determine the construction costs that are reported by August 31, 2007 on a form specified by the Minister, for projects that make permanent additions to secondary schools with respect to instructional spaces to which a loading of zero applies, as determined under subsection (22), where,
 - i. construction of the project is completed by September 30, 2006,
 - ii. the project is under construction on that date, or
 - iii. the board has awarded a tender for construction of the project on or before that date.
53. Determine the amount that is payable in the 2006-2007 fiscal year if the amount determined under paragraph 52 is amortized over 25 years at an annual interest rate of 5.25 per cent, with no compounding.

54. Determine the construction costs that are reported by August 31, 2007 on a form specified by the Minister, for projects that make permanent additions to secondary schools with respect to instructional spaces to which a loading of zero applies, as determined under subsection (22), where,
 - i. construction of the project is completed by March 31, 2007,
 - ii. the project is under construction on that date, or
 - iii. the board has awarded a tender for construction of the project on or before that date.
55. Determine the amount that is payable in the 2006-2007 fiscal year if the amount determined under paragraph 54 is amortized over 25 years at an annual interest rate of 5.25 per cent, with no compounding.
56. Determine the leasing costs for new secondary pupil places paid in the 2006-2007 fiscal year and reported by August 31, 2007 on a form specified by the Minister.
57. Determine the costs for temporary accommodation of new secondary pupil places that have been incurred in the 2006-2007 fiscal year and reported by August 31, 2007 on a form specified by the Minister, where the accommodation costs do not include amounts determined under paragraph 56.
58. Determine the amount that is payable in the 2006-2007 fiscal year if the amount determined under paragraph 57 is amortized over 25 years at an annual interest rate of 5.25 per cent, with no compounding.
59. Total the amounts determined under paragraphs 56 and 58.
60. Multiply the number determined under paragraph 49 by the benchmark area requirement per pupil of 12.07 metres squared.
61. Multiply the product determined under paragraph 60 by the pre-September, 2004, benchmark construction cost of \$129.17 per metre squared.
62. Multiply the amount determined under paragraph 61 by the geographic adjustment factor set out in Column 2 of Table 14 opposite the name of the board.
63. Subtract the number determined under paragraph 49 from the number determined under paragraph 50.
64. Multiply the number determined under paragraph 63 by the benchmark area requirement per pupil of 12.07 metres squared.

65. Multiply the product determined under paragraph 64 by the benchmark construction cost of \$131.75 per metre squared.
66. Multiply the amount determined under paragraph 65 by the geographic adjustment factor set out in Column 3 of Table 14 opposite the name of the board.
67. Subtract the number determined under paragraph 50 from the number determined under paragraph 51.
68. Multiply the number determined under paragraph 67 by the benchmark area requirement per pupil of 12.07 metres squared.
69. Multiply the product determined under paragraph 68 by the benchmark construction cost of \$131.75 per metre squared.
70. Multiply the amount determined under paragraph 69 by the geographic adjustment factor set out in Column 3 of Table 14 opposite the name of the board.
71. Subtract the amount determined under paragraph 53 from the amount determined under paragraph 55.
72. Total the amounts determined under paragraphs 70 and 71.
73. Multiply the amount determined under paragraph 72 by 0.37.
74. Total the amounts determined under paragraphs 53, 59, 62, 66 and 73.
75. Determine the 2006-2007 day school average daily enrolment of secondary school pupils of the board.
76. Subtract the secondary capacity for the board as determined under subsection (21) from the number determined under paragraph 75. If the difference is negative, the number determined under this paragraph is deemed to be zero.
77. Add to the number determined under paragraph 76 the sum of the numbers, if any, each of which is the number of the board's new pupil places to meet secondary enrolment pressures as calculated for a prior school board fiscal year.
78. Add to the number determined under paragraph 77 the sum of the numbers, if any, of new secondary pupil places that are needed for the purpose of accounting for the capital transitional adjustment, set out in Column 5 of Table 16 opposite the name of the board.
79. Add to the number determined under paragraph 78 the number, if any, of new secondary pupil places that are needed for the 2005 capital policy adjustment, set out in Column 3 of Table 17 opposite the name of the board.

80. Subtract the number determined in respect of the board under paragraph 17 of subsection 37 (10) of the 2003-2004 grant regulation from the number determined in respect of the board under paragraph 18.2 of that subsection of that regulation. If the difference is negative, the number determined under this paragraph is deemed to be zero.
81. Total the numbers determined under paragraphs 79 and 80.
82. Add to the number determined under paragraph 81 the number, if any, of the board's new pupil places in respect of its secondary schools for which the cost of repair is prohibitive as calculated for a prior school board fiscal year.
83. If the number determined under paragraph 76 is zero, add to the number determined under paragraph 82 the number, if any, of the board's new pupil places to meet secondary enrolment pressures as determined under subsection (19).
84. Take the lesser of the numbers determined under,
 - i. paragraph 49, and
 - ii. paragraph 82 or 83, as the case may be.
85. Subtract the number determined under paragraph 84 from the number determined under paragraph 82 or 83, as the case may be.
86. Multiply the number determined under paragraph 84 by the benchmark area requirement per pupil of 12.07 metres squared.
87. Multiply the product determined under paragraph 86 by the pre-September, 2004, benchmark construction cost of \$129.17 per metre squared.
88. Multiply the amount determined under paragraph 87 by the geographic adjustment factor set out in Column 2 of Table 14 opposite the name of the board.
89. Multiply the number determined under paragraph 85 by the benchmark area requirement per pupil of 12.07 metres squared.
90. Multiply the product determined under paragraph 89 by the benchmark construction cost of \$131.75 per metre squared.
91. Multiply the amount determined under paragraph 90 by the geographic adjustment factor set out in Column 3 of Table 14 opposite the name of the board.
92. Total the amounts determined under paragraphs 88 and 91.

93. Total the amounts determined under paragraphs 26 and 74.
94. Total the amounts determined under paragraphs 48 and 92.
95. Add to the amount determined under paragraph 94 the amount, if any, calculated in respect of the board under paragraph 35 of subsection 37 (10) of the 2004-2005 grant regulation.
96. Take the lesser of the amounts determined under paragraphs 93 and 95.
97. For a capital project that was wholly or partially funded with amounts calculated under this subsection or a predecessor of this subsection for a prior school board fiscal year, determine the debt service costs incurred in the 2006-2007 fiscal year in respect of the portion so funded where,
 - i. debt means only long-term debt and does not include,
 - A. debt incurred to finance the construction of new elementary pupil places needed for primary class size reduction under subsection (12),
 - B. debt incurred to finance the construction of new elementary pupil places or new secondary pupil places described in the plan submitted under subsection (15) in relation to the growth schools amount,
 - C. debt relating to the amount determined under subsection (48), or
 - D. non-permanently financed debt or permanently financed debt, within the meaning of subsection 40 (2), and
 - ii. capital projects means projects for purposes established under section 1 of Ontario Regulation 446/98 (Reserve Funds) made under the Act and includes projects that have been constructed, that are under construction or for which a tender for construction has been awarded.
98. Total the amounts determined under paragraph 97 for the capital projects described in that paragraph.
99. Subtract the amount determined under paragraph 96 from the amount determined under paragraph 95. If the difference is negative, the number determined under this paragraph is deemed to be zero.

100. Subtract the amount determined under paragraph 96 from the amount determined under paragraph 98. If the difference is negative, the number determined under this paragraph is deemed to be zero.
101. Take the lesser of the amounts determined under paragraphs 99 and 100.
102. Total the amounts determined under paragraphs 96 and 101.
103. For a capital project that was wholly or partially funded with amounts calculated under this subsection or a predecessor of this subsection for a prior school board fiscal year, determine the debt service costs incurred in the 2006-2007 fiscal year in respect of the portion so funded, for debt incurred between August 31, 1998 and August 31, 2005, where,
 - i. debt means only long-term debt and does not include,
 - A. debt incurred to finance the construction of new elementary pupil places needed for primary class size reduction under subsection (12),
 - B. debt incurred to finance the construction of new elementary pupil places or new secondary pupil places described in the plan submitted under subsection (15) in relation to the growth schools amount,
 - C. debt relating to the amount determined under subsection (48), or
 - D. non-permanently financed debt or permanently financed debt, within the meaning of subsection 40 (2), and
 - ii. capital projects means projects for purposes established under section 1 of Ontario Regulation 446/98 (Reserve Funds) made under the Act and includes projects that have been constructed, that are under construction or for which a tender for construction has been awarded.
104. Total the amounts determined under paragraph 103 for the capital projects described in that paragraph.
105. Subtract the amount determined under paragraph 102 from the amount determined under paragraph 104. If the difference is negative, the amount determined under this paragraph is deemed to be zero.
106. Total the amounts that are in the board's pupil accommodation allocation reserve fund and proceeds of disposition reserve fund on August 31, 2005, as reported in the board's financial statements for the 2004-2005 school board fiscal year.

107. Adjust the amount determined under paragraph 106 to take into account motions of the board passed after September 1, 2005 and before June 12, 2006 to transfer funds from the reserves.
108. Take the lesser of the amounts determined under paragraphs 105 and 107.
109. Subtract the amount determined under paragraph 108 from the amount determined under paragraph 105. If the difference is negative, the amount determined under this paragraph is deemed to be zero.
110. Add the amount determined under paragraph 102 to the amount determined under paragraph 109.

(12) The amount for the board for the fiscal year for primary class size reduction is determined as follows:

1. Multiply the number of new elementary pupil places that are needed for the sole purpose of addressing the reduction in primary class size resulting from the change in the loadings determined under subsection 37 (16) of the 2004-2005 grant regulation and the loadings determined under subsection 36 (16) of the 2005-2006 grant regulation, set out in Column 2 of Table 18 opposite the name of the board, by the benchmark area requirement per pupil of 9.7 metres squared.
2. Multiply the product determined under paragraph 1 by the benchmark construction cost of \$120.77 per metre squared.
3. Multiply the amount determined under paragraph 2 by the geographic adjustment factor set out in Column 3 of Table 14 opposite the name of the board.
4. Determine the number of new elementary pupil places needed for the primary class size reduction for which construction is completed at any time from September 1, 2004 to September 30, 2006, that are under construction during that period, or for which a tender for construction is awarded during that period, excluding new pupil places provided through program retrofits.
5. Determine the number of new elementary pupil places needed for the primary class size reduction for which construction is completed at any time from September 1, 2004 to March 31, 2007, that are under construction during that period, or for which a tender for construction is awarded during that period, excluding new pupil places provided through program retrofits.
6. Determine the construction costs that are reported by August 31, 2007 on a form specified by the Minister, for program retrofits, as described in subsection (13), that provide new elementary pupil places needed for the primary class size reduction,

- i. for which construction is completed at any time from September 1, 2004 to September 30, 2006,
 - ii. that are under construction during that period, or
 - iii. for which a tender for construction is awarded during that period.
7. Determine the amount that is payable in the 2006-2007 fiscal year if the amount determined under paragraph 6 is amortized over 25 years at an annual interest rate of 5.25 per cent, with no compounding.
8. Determine the construction costs that are reported by August 31, 2007 on a form specified by the Minister, for program retrofits, as described in subsection (13), that provide new elementary pupil places needed for the primary class size reduction,
 - i. for which construction is completed at any time from September 1, 2004 to March 31, 2007,
 - ii. that are under construction during that period, or
 - iii. for which a tender for construction is awarded during that period.
9. Determine the amount that is payable in the 2006-2007 fiscal year if the amount determined under paragraph 8 is amortized over 25 years at an annual interest rate of 5.25 per cent, with no compounding.
10. Determine the leasing costs for new elementary pupil places needed for the primary class size reduction paid in the 2006-2007 fiscal year and reported by August 31, 2007 on a form specified by the Minister.
11. Determine the costs for temporary accommodation of new elementary pupil places needed for the primary class size reduction that are incurred in the 2006-2007 fiscal year and reported by August 31, 2007 on a form specified by the Minister, where the accommodation costs do not include amounts determined under paragraph 10.
12. Determine the amount that is payable in the 2006-2007 fiscal year if the amount determined under paragraph 11 is amortized over 25 years at an annual interest rate of 5.25 per cent, with no compounding.
13. Total the amounts determined under paragraphs 10 and 12.
14. Multiply the number determined under paragraph 4 by the benchmark area requirement per pupil of 9.7 metres squared.

15. Multiply the product determined under paragraph 14 by the benchmark construction cost of \$120.77 per metre squared.
16. Multiply the amount determined under paragraph 15 by the geographic adjustment factor set out in Column 3 of Table 14 opposite the name of the board.
17. Subtract the number determined under paragraph 4 from the number determined under paragraph 5.
18. Multiply the number determined under paragraph 17 by the benchmark area requirement per pupil of 9.7 metres squared.
19. Multiply the product determined under paragraph 18 by the benchmark construction cost of \$120.77 per metre squared.
20. Multiply the amount determined under paragraph 19 by the geographic adjustment factor set out in Column 3 of Table 14 opposite the name of the board.
21. Subtract the number determined under paragraph 7 from the number determined under paragraph 9.
22. Total the amounts determined under paragraphs 20 and 21.
23. Multiply the amount determined under paragraph 22 by 0.37.
24. Total the amounts determined under paragraphs 7, 13, 16 and 23.
25. Take the lesser of the amounts determined under paragraphs 3 and 24.

(13) For the purposes of subsection (12), a program retrofit is a construction project in a school that alters instructional space so that it has a higher loading under paragraph 2 of subsection (22) after the alteration than it did before, without enlarging the exterior dimensions of the school.

(14) The amount for the board for the fiscal year for growth schools is determined as follows:

1. If the amount determined under paragraph 94 of subsection 36 (10) of the 2005-2006 grant regulation is less than or equal to the amount for new pupil places determined in respect of the board under subsection (11), the amount determined under this subsection is zero.
2. If the amount determined under paragraph 94 of subsection 36 (10) of the 2005-2006 grant regulation is greater than the amount for new pupil places determined in respect of the board under subsection (11), the amount determined under this subsection is determined in accordance with paragraphs 3 to 39 of this subsection.

3. Determine the number of new elementary pupil places specified in the plan submitted under subsection (15).
4. Multiply the number determined under paragraph 3 by the benchmark area requirement per pupil of 9.7 metres squared.
5. Multiply the product determined under paragraph 4 by the benchmark construction cost of \$120.77 per metre squared.
6. Multiply the amount determined under paragraph 5 by the geographic adjustment factor set out in Column 3 of Table 14 opposite the name of the board.
7. Determine the number of new elementary pupil places specified in the plan submitted under subsection (15) that have been constructed by September 30, 2006, that are under construction on that date, or for which the board has awarded a tender for construction on or before that date.
8. Determine the number of new elementary pupil places specified in the plan submitted under subsection (15) that have been constructed by March 31, 2007, that are under construction on that date, or for which the board has awarded a tender for construction on or before that date.
9. Multiply the number determined under paragraph 7 by the benchmark area requirement per pupil of 9.7 metres squared.
10. Multiply the product determined under paragraph 9 by the benchmark construction cost of \$120.77 per metre squared.
11. Multiply the amount determined under paragraph 10 by the geographic adjustment factor set out in Column 3 of Table 14 opposite the name of the board.
12. Subtract the number determined under paragraph 7 from the number determined under paragraph 8.
13. Multiply the number determined under paragraph 12 by the benchmark area requirement per pupil of 9.7 metres squared.
14. Multiply the product determined under paragraph 13 by the benchmark construction cost of \$120.77 per metre squared.
15. Multiply the amount determined under paragraph 14 by the geographic adjustment factor set out in Column 3 of Table 14 opposite the name of the board.
16. Multiply the amount, if any, determined under paragraph 15 by 0.37.

17. Add the amount determined under paragraph 11 to the amount determined under paragraph 16.
18. Determine the number of new secondary pupil places specified in the plan submitted under subsection (15).
19. Multiply the number determined under paragraph 18 by the benchmark area requirement per pupil of 12.07 metres squared.
20. Multiply the product determined under paragraph 19 by the benchmark construction cost of \$131.75 per metre squared.
21. Multiply the amount determined under paragraph 20 by the geographic adjustment factor set out in Column 3 of Table 14 opposite the name of the board.
22. Determine the number of new secondary pupil places specified in the plan submitted under subsection (15) that have been constructed by September 30, 2006, that are under construction on that date, or for which the board has awarded a tender for construction on or before that date.
23. Determine the number of new secondary pupil places specified in the plan submitted under subsection (15) that have been constructed by March 31, 2007, that are under construction on that date, or for which the board has awarded a tender for construction on or before that date.
24. Multiply the number determined under paragraph 22 by the benchmark area requirement per pupil of 12.07 metres squared.
25. Multiply the product determined under paragraph 24 by the benchmark construction cost of \$131.75 per metre squared.
26. Multiply the amount determined under paragraph 25 by the geographic adjustment factor set out in Column 3 of Table 14 opposite the name of the board.
27. Subtract the number determined under paragraph 22 from the number determined under paragraph 23.
28. Multiply the number determined under paragraph 27 by the benchmark area requirement per pupil of 12.07 metres squared.
29. Multiply the product determined under paragraph 28 by the benchmark construction cost of \$131.75 per metre squared.
30. Multiply the amount determined under paragraph 29 by the geographic adjustment factor set out in Column 3 of Table 14 opposite the name of the board.

31. Multiply the amount, if any, determined under paragraph 30 by 0.37.
32. Add the amount determined under paragraph 26 to the amount determined under paragraph 31.
33. Add the amount determined under paragraph 6 to the amount determined under paragraph 21.
34. Add the amount determined under paragraph 17 to the amount determined under paragraph 32.
35. Take the lower of the amounts determined under paragraphs 33 and 34.
36. Total the amounts that are in the board's pupil accommodation allocation reserve fund and proceeds of disposition reserve fund on August 31, 2005, as reported in the board's financial statements for the 2004-2005 school board fiscal year.
37. Adjust the amount determined under paragraph 36 to take into account motions of the board passed after September 1, 2005 and before June 12, 2006 to transfer funds from the reserves.
38. Subtract the amount determined under paragraph 108 of subsection (11) from the amount determined under paragraph 37.
39. Subtract the amount determined under paragraph 38 from the amount determined under paragraph 35. If the difference is a negative number, it is deemed to be zero.

(15) The following are conditions of the payment of the growth schools amount to a district school board:

1. The board has submitted a plan, in a form specified by the Minister, setting out the following:
 - i. The number of new elementary pupil places and the number of new secondary pupil places, if any, that the board plans to provide for pupils of the board from the date of the plan to August 31, 2007.
 - ii. The number of new elementary pupil places and the number of new secondary pupil places, if any, that the board plans to provide for pupils of the board from September 1, 2007 to August 31, 2008.
 - iii. The board's evaluation that, after accommodating as many elementary school pupils or secondary school pupils, as the case may be, as possible using the alternative methods set out in subsection (16), at least 90 per cent

of the new pupil places mentioned under subparagraph i or ii that are located on any one school site will be needed for pupils of the board in each of the ten school board fiscal years starting,

- A. in the 2007-2008 fiscal year, for new pupil places under subparagraph i, and
 - B. in the 2008-2009 fiscal year, for new pupil places under subparagraph ii.
- iv. The board's plan that the new elementary pupil places or the new secondary pupil places, as the case may be, will be located on a school site acquired in whole or in part with funds from an education development charge reserve fund.
 - v. The board's plan that the school site on which the new elementary pupil places or the new secondary pupil places, as the case may be, will be located is within an area in which an education development charge by-law of the board applied on September 1, 2005.

2. The Minister has approved the plan as reasonable.

(16) For purposes of subparagraph 1 iii of subsection (15), the alternative methods of providing accommodation are,

- (a) using other pupil places available in a nearby school of the board;
- (b) re-drawing the boundaries of the attendance areas of its elementary schools or secondary schools, as the case may be; and
- (c) making program changes.

(17) The number, if any, of the board's new pupil places to meet elementary enrolment pressures is the sum of the numbers calculated under subsection (18) for each elementary school of the board in respect of which the conditions in the following paragraphs are satisfied:

- 1. The 2005-2006 enrolment of the school exceeded by at least 100 the sum of,
 - i. the 2005-2006 reported capacity of the school, and
 - ii. the number of the board's new pupil places to meet the elementary enrolment pressure for the school calculated under subsection 36 (12) of the 2005-2006 grant regulation.
- 2. The 2004-2005 enrolment of the school exceeded by at least 100 the sum of,

- i. the 2004-2005 reported capacity of the school, and
 - ii. the number of the board's new pupil places to meet the elementary enrolment pressure for the school calculated under subsection 37 (12) of the 2004-2005 grant regulation.
3. The number of the board's new pupil places to meet the elementary enrolment pressure that would be determined for the school under subsection (18) exceeds the amount calculated using the formula,

$$A - B$$

in which,

“A” is the sum of the 2005-2006 reported capacities of all other elementary schools of the board located not more than eight kilometres by road from the school and the total of all amounts calculated under subsection 36 (11) of the 2005-2006 grant regulation in respect of those other schools, and

“B” is the sum of the 2005-2006 enrolment of the other schools referred to in “A”.

4. The school is not listed in Table 10 of Ontario Regulation 156/02 (Student Focused Funding — Legislative Grants for the 2002-2003 School Board Fiscal Year) made under the Act or in Table 10 of the 2003-2004 grant regulation.

(18) The number of the board's new pupil places to meet the elementary enrolment pressure for each elementary school is the average of,

- (a) the amount by which the 2005-2006 enrolment of the school exceeded the sum of,
 - (i) the 2005-2006 reported capacity of the school, and
 - (ii) the number of the board's new pupil places to meet the elementary enrolment pressure for the school calculated under subsection 36 (11) of the 2005-2006 grant regulation; and
- (b) the amount by which the 2004-2005 enrolment of the school exceeded the sum of,
 - (i) the 2004-2005 reported capacity of the school, and
 - (ii) the number of the board's new pupil places to meet the elementary enrolment pressure for the school calculated under subsection 37 (12) of the 2004-2005 grant regulation.

(19) The number, if any, of the board's new pupil places to meet secondary enrolment pressures is the sum of the numbers calculated under subsection (20) for each secondary school of the board in respect of which the conditions in the following paragraphs are satisfied:

1. The 2005-2006 enrolment of the school exceeded by at least 100 the sum of,
 - i. the 2005-2006 reported capacity of the school, and
 - ii. the number of the board's new pupil places to meet the secondary enrolment pressure for the school calculated under subsection 36 (14) of the 2005-2006 grant regulation.

2. The 2004-2005 enrolment of the school exceeded by at least 100 the sum of,
 - i. the 2004-2005 reported capacity of the school, and
 - ii. the number of the board's new pupil places to meet the secondary enrolment pressure for the school calculated under subsection 37 (14) of the 2004-2005 grant regulation.

3. The number of the board's new pupil places to meet the secondary enrolment pressure that would be determined for the school under subsection (20) exceeds the amount calculated using the formula,

$$A - B$$
 in which,

“A” is the sum of the 2005-2006 reported capacities of all other secondary schools of the board located not more than 32 kilometres by road from the school and the total of all amounts calculated under subsection 36 (14) of the 2005-2006 grant regulation in respect of those other schools, and

“B” is the sum of the 2005-2006 enrolment of the other schools referred to in “A”.

4. The school is not listed in Table 10 of Ontario Regulation 156/02 (Student Focused Funding — Legislative Grants for the 2002-2003 School Board Fiscal Year) made under the Act or in Table 10 of the 2003-2004 grant regulation.

(20) The number of the board's new pupil places to meet the secondary enrolment pressure for each secondary school is the average of,

- (a) the amount by which the 2005-2006 enrolment of the school exceeded the sum of,
 - (i) the 2005-2006 reported capacity of the school, and

- (ii) the number of the board's new pupil places to meet the secondary enrolment pressure for the school calculated under subsection 36 (14) of the 2005-2006 grant regulation; and
- (b) the amount by which the 2004-2005 enrolment of the school exceeded the sum of,
- (i) the 2004-2005 reported capacity of the school, and
 - (ii) the number of the board's new pupil places to meet the secondary enrolment pressure for the school calculated under subsection 37 (14) of the 2004-2005 grant regulation.

(21) For the purposes of paragraph 76 of subsection (11), the secondary capacity for the board is the secondary capacity determined for the board under the 2005-2006 grant regulation subject to the adjustments set out in subsections (25), (28), (33), (36), (39), (41), (43) and (47).

(22) The Minister shall determine loadings and categories of instructional space as follows:

1. The Minister shall identify categories of instructional space for all elementary facilities and secondary facilities of the board. In identifying categories of instructional space, the Minister shall use the categories identified in the Report of the Pupil Accommodation Review Committee, which is available as described in subsection 3 (7). Where the Report does not include an appropriate category for an instructional space, the Minister shall identify the category of that space in a manner that is consistent with the categorizations in the Report.
2. The Minister shall assign a loading to each category of instructional space identified under paragraph 1, based on the number of pupils that can reasonably be accommodated in each category of instructional space. In determining the number, the Minister shall consider the physical characteristics of the category of instructional space and the class size requirements under the Act.

(23) Subsection (24) or (25) applies in relation to an elementary facility or secondary facility of a board if, on or after January 1, 2004 and before February 17, 2005, the board issued a proposal under Ontario Regulation 444/98 (Disposition of Surplus Real Property) made under the Act to dispose of the facility at no cost to the Ontario Realty Corporation or to a board.

(24) The number referred to in subparagraph 29 i of subsection (11) is determined as follows:

1. For each elementary facility of the board to which this subsection applies, apply the loadings determined under subsection (22) to the instructional spaces of the facility, as categorized under subsection (22).

2. Total the amounts determined under paragraph 1 for elementary facilities of the board.

(25) The secondary capacity determined for the board under subsection (21) is adjusted as follows:

1. For each secondary facility of the board to which this subsection applies, apply the loadings determined under subsection (22) to the instructional spaces of the facility, as categorized under subsection (22).
2. Total the amounts determined under paragraph 1 for secondary facilities of the board.
3. Subtract the total determined under paragraph 2 from the secondary capacity determined for the board under subsection (21).

(26) Subsection (27) or (28) applies in relation to an elementary facility or secondary facility of the board if,

- (a) the facility is acquired by the board as a result of a proposal issued by another board on or after January 1, 2004 and before February 17, 2005 under Ontario Regulation 444/98 (Disposition of Surplus Real Property) made under the Act, to dispose of the facility at no cost; and
- (b) subsections (32) and (33) do not apply to the facility.

(27) The number referred to in subparagraph 31 i of subsection (11) is determined as follows:

1. For each elementary facility of the board to which this subsection applies, apply the loadings determined under subsection (22) to the instructional spaces of the facility, as categorized under subsection (22).
2. Total the amounts determined under paragraph 1 for the elementary facilities of the board.

(28) The secondary capacity determined for the board under subsection (21) is adjusted as follows:

1. For each secondary facility of the board to which this subsection applies, apply the loadings determined under subsection (22) to the instructional spaces of the facility, as categorized under subsection (22).
2. Total the amounts determined under paragraph 1 for the secondary facilities of the board.

3. Add the total determined under paragraph 2 to the secondary capacity determined for the board under subsection (21).

(29) Subsection (32) or (33) applies in relation to an elementary facility or secondary facility of the board if all of the following conditions are satisfied:

1. The facility is acquired by the board as a result of a proposal issued by another board on or after January 1, 2004 and before February 17, 2005 under Ontario Regulation 444/98 (Disposition of Surplus Real Property) made under the Act, to dispose of the facility at no cost.
2. Within 30 days after offering to acquire the facility at no cost, the board notifies the Minister in writing of the offer and provides such information and material as the Minister may require to verify that the acquisition of the facility,
 - i. is consistent with the long-term accommodation plan of the board,
 - ii. would benefit the pupils of the board,
 - iii. would result in more effective use of public assets, and
 - iv. would reduce the need of the board for the construction of new school facilities.

(30) Subsection (32) applies in relation to an elementary school of the board if the school provides pupil accommodation for elementary school pupils during the fiscal year and is located in a municipality or former municipality set out in Column 2 of Table 16 opposite the name of the board in Column 1 of that Table and opposite a number greater than zero in Column 4 of that Table.

(31) Subsection (33) applies in relation to a secondary school of the board if the school provides pupil accommodation for secondary school pupils during the fiscal year and is located in a municipality or former municipality set out in Column 2 of Table 16 opposite the name of the board in Column 1 of that Table and opposite a number greater than zero in Column 5 of that Table.

(32) The number referred to in subparagraph 31 ii of subsection (11) is determined as follows:

1. For each elementary school to which this subsection applies, apply the loadings determined under subsection (22) to the instructional spaces of the school, as categorized under subsection (22).
2. Determine the 2006-2007 day school average daily enrolment of pupils of the board, counting only pupils enrolled in that school.

3. Take the lesser of the amounts determined for the school under paragraphs 1 and 2.
4. Total the amounts determined under paragraph 3 for each of the elementary schools to which this subsection applies.

(33) The secondary capacity determined for the board under subsection (21) is adjusted as follows:

1. For each secondary school to which this subsection applies, apply the loadings determined under subsection (22) to the instructional spaces of the school, as categorized under subsection (22).
2. Determine the 2006-2007 day school average daily enrolment of pupils of the board, counting only pupils enrolled in that school.
3. Take the lesser of the amounts determined for the school under paragraphs 1 and 2.
4. Total the amounts determined under paragraph 3 for each of the secondary schools to which this subsection applies.
5. Add the total determined under paragraph 4 to the secondary capacity determined for the board under subsection (21).

(34) Subsection (35) or (36) applies in relation to an elementary facility or secondary facility of a board if,

- (a) in the 2005 calendar year, the board agreed with another board to dispose of the elementary facility or secondary facility of the board to the other board, in consideration for the conveyance to it of an elementary facility or secondary facility of the other board; and
- (b) before the agreement referred to in clause (a) was entered into, the Minister indicated in writing that, in his or her opinion, the transfer provided for by the agreement,
 - (i) is consistent with the long-term accommodation plans of both boards,
 - (ii) would benefit pupils of both boards,
 - (iii) would result in more effective use of public assets, and
 - (iv) would reduce the needs of both boards for the construction of new school facilities.

(35) The number referred to in subparagraph 29 ii of subsection (11) is determined as follows:

1. For each elementary facility of the board to which this subsection applies, apply the loadings determined under subsection (22) to the instructional spaces of the facility, as categorized under subsection (22).
2. Total the amounts determined under paragraph 1 for elementary facilities of the board.

(36) The secondary capacity determined for the board under subsection (21) is adjusted as follows:

1. For each secondary facility of the board to which this subsection applies, apply the loadings determined under subsection (22) to the instructional spaces of the facility, as categorized under subsection (22).
2. Total the amounts determined under paragraph 1 for secondary facilities of the board.
3. Subtract the total determined under paragraph 2 from the secondary capacity determined for the board under subsection (21).

(37) Subsection (38) or (39) applies in relation to an elementary facility or secondary facility of a board acquired in the circumstances described in subsection (34).

(38) The number referred to in subparagraph 29 iii of subsection (11) is determined as follows:

1. For each elementary facility of the board acquired in the circumstances described in subsection (34), apply the loadings determined under subsection (22) to the instructional spaces of the facility, as categorized under subsection (22).
2. Determine the 2006-2007 enrolment for the facility, if any.
3. Subtract the amount determined under paragraph 2 from the amount determined under paragraph 1. If the difference is a negative number, it is deemed to be zero.

(39) The secondary capacity determined for the board under subsection (21) is adjusted as follows:

1. For each secondary facility of the board acquired in the circumstances described in subsection (34), apply the loadings determined under subsection (22) to the instructional spaces of the facility, as categorized under subsection (22).
2. Determine the 2006-2007 enrolment for the facility, if any.

3. Subtract the amount determined under paragraph 2 from the amount determined under paragraph 1. If the difference is a negative number, it is deemed to be zero.
4. Total the amounts determined under paragraph 3 for secondary facilities of the board.
5. Subtract the total determined under paragraph 4 from the secondary capacity determined for the board under subsection (21).

(40) If the board has an elementary facility that it acquired after December 31, 1998 and before the start of the fiscal year in circumstances described in subsection (34), the number referred to in subparagraph 31 iii of subsection (11) is determined as follows:

1. For each elementary facility acquired, apply the loadings determined under subsection (22) to the instructional spaces of the facility, as categorized under subsection (22).
2. Determine the 2006-2007 enrolment for the facility, if any.
3. Subtract the amount determined under paragraph 2 from the amount determined under paragraph 1. If the difference is a negative number, it is deemed to be zero.
4. Total the amounts determined under paragraph 3 for each of the elementary facilities acquired.
5. Subtract the amount determined under paragraph 4 from the total of the amounts determined for the board under the provisions comparable to this subsection in the regulations made under section 234 of the Act in respect of grants payable to boards for previous fiscal years.

(41) If the board has a secondary facility that it acquired after December 31, 1998 and before the start of the fiscal year in circumstances described in subsection (34), the secondary capacity determined for the board under subsection (21) is adjusted as follows:

1. For each secondary facility acquired, apply the loadings determined under subsection (22) to the instructional spaces of the facility, as categorized under subsection (22).
2. Determine the 2006-2007 enrolment for the facility, if any.
3. Subtract the amount determined under paragraph 2 from the amount determined under paragraph 1. If the difference is a negative number, it is deemed to be zero.
4. Total the amounts determined under paragraph 3 for each of the secondary facilities acquired.
5. Subtract the amount determined under paragraph 4 from the total of the amounts determined for the board under the provisions comparable to this subsection in the

regulations made under section 234 of the Act in respect of grants payable to boards for previous fiscal years.

6. Add the difference determined under paragraph 5 to the secondary capacity determined for the board under subsection (21).

(42) The elementary capacity determined for the board under subsection (21) is adjusted by adding the number, if any, of new pupil places to meet the elementary enrolment pressures as determined under subsection (17).

(43) The secondary capacity determined for the board under subsection (21) is adjusted by adding the number, if any, of new pupil places to meet the secondary enrolment pressures as determined under subsection (19).

(44) Subsection (45) applies in relation to an elementary facility of the board described in a provision comparable to subsection (29) or (30) in the regulations made under section 234 of the Act in respect of grants payable to boards for previous fiscal years.

(45) The number referred to in subparagraph 31 v of subsection (11) is determined as follows:

1. For each elementary facility to which this subsection applies, apply the loadings determined under subsection (22) to the instructional spaces of the facility, as categorized under subsection (22).
2. Determine the 2006-2007 day school average daily enrolment of pupils of the board, counting only pupils enrolled in that facility.
3. Subtract the amount determined under paragraph 2 from the amount determined under paragraph 1 for that school. If the difference is a negative number, it is deemed to be zero.
4. Total the amounts determined under paragraph 3 for each of the elementary facilities to which this subsection applies.
5. Subtract the amount determined under paragraph 4 from the total of the amounts determined for previous fiscal years for the board under provisions comparable to subsection (32) in the regulations made under section 234 of the Act in respect of grants payable to boards for previous fiscal years.

(46) Subsection (47) applies in relation to a secondary facility of the board described in a provision comparable to subsection (29) or (31) in the regulations made under section 234 of the Act in respect of grants payable to boards for previous fiscal years.

(47) The secondary capacity determined for the board under subsection (21) is adjusted as follows:

1. For each secondary facility to which this subsection applies, apply the loadings determined under subsection (22) to the instructional spaces of the facility, as categorized under subsection (22).
2. Determine the 2006-2007 day school average daily enrolment of pupils of the board, counting only pupils enrolled in that school.
3. Subtract the amount determined under paragraph 2 from the amount determined under paragraph 1 for that facility. If the difference is a negative number, it is deemed to be zero.
4. Total the amounts determined under paragraph 3 for each of the secondary facilities to which this subsection applies.
5. Subtract the amount determined under paragraph 4 from the total of the amounts determined for previous fiscal years for the board under the provisions comparable to subsection (33) in the regulations made under section 234 of the Act in respect of grants payable to boards for previous fiscal years.
6. Add the difference determined under paragraph 5 to the secondary capacity for the board determined under subsection (21).

(48) The amount for the board for outstanding capital commitments is determined as follows:

1. Take the number of elementary school pupil places shown in Column 2 of Table 19, opposite the name of the board.
2. Multiply the number taken under paragraph 1 by the pre-September, 2005 benchmark area requirement per pupil of 9.29 metres squared.
3. Multiply the product obtained under paragraph 2 by the pre-September, 2004 benchmark construction cost of \$118.40 per metre squared.
4. Take the number of secondary school pupil places shown in Column 3 of Table 19, opposite the name of the board.
5. Multiply the number taken under paragraph 4 by the benchmark area requirement per pupil of 12.07 metres squared.
6. Multiply the product obtained under paragraph 5 by the pre-September, 2004 benchmark construction cost of \$129.17 per metre squared.

7. Add the products obtained under paragraphs 3 and 6.

(49) For the purposes of paragraph 16 of subsection (3) and paragraph 14 of subsection (9), the capacity of an elementary school is determined by applying the loadings determined under subsection (22) to the instructional spaces of the school, as categorized under that subsection.

(50) For the purposes of paragraph 27 of subsection (3) and paragraph 25 of subsection (9), the capacity of a secondary school is determined by applying the loadings determined under subsection (22) to the instructional spaces of the school, as categorized under subsection (22).

(51) In this section,

“2004-2005 enrolment” means, in respect of a school operated by a board, the 2004-2005 day school average daily enrolment of pupils of the board, within the meaning of Ontario Regulation 143/04 (Calculation of Average Daily Enrolment for the 2004-2005 School Board Fiscal Year) made under the Act, counting only pupils enrolled in the school; (“effectif de 2004-2005”)

“2004-2005 reported capacity” means, in respect of a school operated by a board, the school capacity as reported in Appendix C to the board’s 2004-2005 financial statements prepared and submitted to the Ministry under the Act; (“capacité d’accueil déclarée pour 2004-2005”)

“2005-2006 enrolment” means, in respect of a school operated by a board, the 2005-2006 day school average daily enrolment of pupils of the board, within the meaning of Ontario Regulation 398/05 (Calculation of Average Daily Enrolment for the 2005-2006 School Board Fiscal Year) made under the Act, counting only pupils enrolled in the school; (“effectif de 2005-2006”)

“2005-2006 reported capacity” means, in respect of a school operated by a board, the school capacity as reported in Appendix C to the board’s 2005-2006 financial statements prepared and submitted to the Ministry under the Act; (“capacité d’accueil déclarée pour 2005-2006”)

“2006-2007 enrolment” means, in respect of a school operated by a board, the 2006-2007 day school average daily enrolment of pupils of the board, counting only pupils enrolled in the school; (“effectif de 2006-2007”)

“elementary facility” means a facility that is or was an elementary school of a board; (“établissement élémentaire”)

“instructional space” means a space in a school that can reasonably be used for instructional purposes; (“aire d’enseignement”)

“secondary facility” means a facility that is or was a secondary school of a board. (“établissement secondaire”)

Debt charges allocation

40. (1) The amount of the debt charges allocation for a district school board for the fiscal year is the sum of,

- (a) the total amount of principal and interest paid by the board in the fiscal year in respect of the permanently financed debt of the board; and
- (b) the total amount payable in the fiscal year in respect of the financing arranged to refinance the board's non-permanently financed debt, including the amount of any payments required to be made in the year to a reserve account or sinking fund and the amount of reasonable expenses.

(2) In this section,

“non-permanently financed debt” means, in respect of a board, the amount listed in Column 3 opposite the name of the board in Table 20; (“dette sans financement permanent”)

“permanently financed debt” means, in respect of a board, the amount that is listed in Column 2 opposite the name of the board in Table 20. (“dette avec financement permanent”)

Adjustment for declining enrolment

41. (1) The amount of a district school board's adjustment for declining enrolment for the fiscal year for the purposes of section 13 is the sum of the following amounts:

- 1. The product obtained when 0.25 is multiplied by the amount, if any, that was determined under subsection 39 (2) of the 2004-2005 grant regulation.
- 2. The product obtained when 0.5 is multiplied by the amount, if any, that was determined under subsection 38 (3) of the 2005-2006 grant regulation.
- 3. If the 2006-2007 day school average daily enrolment of pupils of the board is less than the 2005-2006 day school average daily enrolment of pupils of the board as determined under section 2 of Ontario Regulation 398/05 (Calculation of Average Daily Enrolment for the 2005-2006 School Board Fiscal Year) made under the Act, the amount, if it exceeds zero, determined in accordance with subsection (2).

(2) The amount for the purposes of paragraph 3 of subsection (1) is the amount calculated using the formula,

$$[(A - B) - 0.58 (A \times C)] \times D/C$$

in which,

“A” is the amount determined in respect of the board under subsection (3),

“B” is the amount determined in respect of the board under subsection (4),

“C” is the amount determined in respect of the board under subsection (5), and

“D” is the amount determined in respect of the board under subsection (6).

(3) The amount determined under this subsection in respect of a board is the sum of the following amounts determined for the board for its 2005-2006 fiscal year under the 2005-2006 grant regulation:

1. The foundation allocation for the fiscal year.
2. The enrolment-based special education amount for the fiscal year.
3. In the case of a French-language district school board, the French as a first language amount included in the board’s language allocation for the fiscal year.
4. The remote and rural allocation for the fiscal year.
5. The administration and governance allocation for the fiscal year.
6. The sum of the amounts determined under paragraphs 15, 17, 21, 26, 28, 32 and 37 of subsection 36 (3) of the 2005-2006 grant regulation less the amount determined using the following formula:

$$(A \times B) \times 9.29 \times \$62.84$$

in which,

“A” is the number calculated in respect of the board under paragraph 7 of subsection 36 (3) of the 2005-2006 grant regulation, and

“B” is the supplementary continuing education and other programs area factor approved by the Minister in respect of the board under subsection 36 (6) of the 2005-2006 grant regulation.

(4) The amount determined under this subsection in respect of a board is the amount calculated in respect of the board’s 2006-2007 fiscal year as follows:

1. Add,
 - i. the amount determined by multiplying the 2006-2007 day school average daily enrolment of elementary school pupils of the board by \$3,866,
 - ii. the amount determined by multiplying the 2006-2007 day school average daily enrolment of secondary school pupils of the board by \$4,921,
 - iii. the amount determined by multiplying the 2006-2007 day school average daily enrolment of pupils of the board by \$200,

- iv. the enrolment-based special education amount for the fiscal year,
- v. in the case of a French-language district school board, the French as a first language amount included in the board's language allocation for the fiscal year,
- vi. the remote and rural allocation for the fiscal year,
- vii. the administration and governance allocation for the fiscal year, and
- viii. the sum of the amounts determined under paragraphs 15, 17, 21, 26, 28, 32 and 37 of subsection 39 (3), less the amount determined using the following formula:

$$(A \times B) \times 9.29 \times \$64.28$$

in which,

“A” is the number calculated in respect of the board under paragraph 7 of subsection 39 (3), and

“B” is the supplementary continuing education and other programs area factor approved by the Minister in respect of the board under subsection 39 (6).

- 2. Subtract from the total determined under paragraph 1, the product of the 2006-2007 day school average daily enrolment of pupils of the board and the amount shown in Column 2 of Table 21 opposite the name of the board in Column 1 of that Table.

(5) The amount determined under this subsection in respect of a board is the amount calculated using the following formula,

$$1 - E/F$$

in which,

“E” is the 2006-2007 day school average daily enrolment of pupils of the board,

“F” is the 2005-2006 day school average daily enrolment of pupils of the board, as determined under section 2 of Ontario Regulation 398/05 (Calculation of Average Daily Enrolment for the 2005-2006 School Board Fiscal Year) made under the Act, and

“E/F” is rounded to five decimal points.

(6) The amount determined under this subsection in respect of a board is the amount calculated as follows:

1. If the amount determined in respect of the board under subsection (5) does not exceed 0.0025, the amount determined under this subsection in respect of the board is calculated using the formula,

$$0.5 \times C$$

in which,

“C” is the amount determined in respect of the board under subsection (5).

2. If the amount determined in respect of the board under subsection (5) is greater than 0.0025 but does not exceed 0.015, the amount determined under this subsection in respect of the board is calculated using the formula,

$$(C - 0.0025) + 0.00125$$

in which,

“C” is the amount determined in respect of the board under subsection (5).

3. If the amount determined in respect of the board under subsection (5) is greater than 0.015, the amount determined under this subsection in respect of the board is calculated using the formula,

$$1.5 \times (C - 0.015) + 0.01375$$

in which,

“C” is the amount determined in respect of the board under subsection (5).

Compliance

42. Every district school board shall manage its estimates process and its expenditures so as to ensure compliance with the requirements of sections 43 to 45.

Required spending, special education

43. (1) Subject to subsection (2), a district school board shall ensure that the amount it spends in the fiscal year on special education for pupils of the board is not less than the amount of the board’s special education allocation for the fiscal year.

(2) If a board’s net expenditure on special education for its pupils in the fiscal year is less than the amount required under subsection (1), the board shall place the difference in the board’s special education reserve fund.

(3) For the purposes of this section, a board’s net expenditure on special education in the fiscal year is determined as follows:

1. Add the part of the amount that is in the board’s reserve fund under subsection 233 (1) of the Act on August 31, 2007, immediately before the transfer under subsection 233 (2) of the Act, that is attributable to special education to the board’s expenditure on special education for its pupils in the 2006-2007 fiscal year.

2. Deduct the following amounts from the amount determined under paragraph 1:
 - i. The amount of any transfers from the board's special education reserve fund in the fiscal year.
 - ii. The amounts of any other transfers from reserves in the fiscal year that were applied against the board's expenditure on special education for its pupils.
 - iii. Any revenue from other sources received by the board in the fiscal year that is spent by the board in the fiscal year on special education for its pupils.

(4) This section shall not be interpreted as limiting the amount that a board may spend on special education.

Required spending, capital assets

44. (1) Subject to subsection (2), a district school board shall ensure that an amount equal to the total of the following amounts determined for the board under section 39 is spent in the fiscal year on the acquisition of capital assets:

1. The amount for school renewal.
2. The amount for new pupil places.
3. The amount for primary class size reduction.
4. The amount for growth schools.
5. The amount for outstanding capital commitments.

(2) If a board's net expenditure in the fiscal year on the acquisition of capital assets is less than the total amount determined under subsection (1), the board shall place the difference in the board's pupil accommodation allocation reserve fund.

(3) For the purposes of this section, a board's net expenditure in the fiscal year on the acquisition of capital assets is determined by deducting the following amounts from its expenditures in the fiscal year on the acquisition of capital assets:

1. The amounts of any transfers in the fiscal year from the pupil accommodation allocation reserve fund.
2. The amounts of any transfers in the fiscal year from the proceeds of disposition reserve fund that were applied in the fiscal year against expenditures for the acquisition of capital assets.

3. The amounts of any transfers in the fiscal year from other reserves, other than education development charge reserve funds, that were applied in the fiscal year against expenditures for the acquisition of capital assets.
4. Any revenue from other sources received by the board in the fiscal year that is spent by the board in the fiscal year on the acquisition of capital assets.

(4) This section shall not be interpreted as limiting the amount that a board may spend on the acquisition of capital assets.

Maximum administration and governance expenditures

45. (1) A district school board shall ensure that its net administration and governance expenditures in the fiscal year do not exceed its administration and governance limit.

(2) The amount of the board's administration and governance limit for the fiscal year is the sum of,

- (a) the portion of the board's adjustment for declining enrolment, if any, that is allocated by the board to the administration and governance limit; and
- (b) the board's administration and governance allocation for the fiscal year.

(3) For the purposes of this section,

- (a) an expenditure by a board is an administration expenditure if it is an expenditure categorized in the Ministry's Uniform Code of Accounts as an administration expenditure; and
- (b) an expenditure by a board is a governance expenditure if it is an expenditure categorized in the Ministry's Uniform Code of Accounts as a governance expenditure.

(4) For the purposes of this section, a board's net administration and governance expenditures in the fiscal year is determined as follows:

1. Determine the sum of the administration expenditures made by the board in the fiscal year and the governance expenditures made by the board in the fiscal year.
2. Add the part of the amount that is in the board's reserve fund under subsection 233 (1) of the Act on August 31, 2007, before the transfer under subsection 233 (2) of the Act, that is attributable to administration and governance to the amount determined under paragraph 1.
3. Deduct the following amounts from the amount determined under paragraph 2:

- i. The amounts of any transfers from reserves in the fiscal year that were applied against the board's administration expenditures or governance expenditures.
- ii. Any revenue from other sources received by the board in the fiscal year that is spent by the board in the fiscal year on board administration expenditures or governance expenditures.

PART III GRANTS TO SCHOOL AUTHORITIES

Grants to isolate boards

46. (1) For the purposes of this section, the approved expenditure of an isolate board is the expenditure that is acceptable to the Minister as shown on the forms provided by the Ministry to the isolate board for the purpose of calculating its 2006-2007 legislative grant.

(2) In making determinations for the purposes of subsection (1), the Minister shall apply the funding formula on which the provisions of this Regulation relating to grants to district school boards is based, with such adaptations as the Minister considers advisable to take account of characteristics particular to isolate boards.

(3) For the purposes of this section, the 2006-2007 tax revenue of an isolate board is determined as follows:

1. Add:

- i. 38 per cent of the sum of,
 - A. the total of the amounts distributed to the board in respect of the 2006 calendar year under subsections 237 (12) and 238 (2), section 239, subsection 240 (4), sections 250 and 251 and subsections 257.8 (2) and 257.9 (1) of the *Education Act*, under sections 447.20 and 447.52 of the *Municipal Act* as made applicable by section 474 of the *Municipal Act, 2001*, under subsections 364 (22) and 365.2 (16) of the *Municipal Act, 2001*, under section 10 of Ontario Regulation 509/98 (Tax Matters — Relief in Unorganized Territory (Section 257.2.1 of the Act)) made under the Act and under subsection 13 (2) of Ontario Regulation 3/02 (Tax Relief in Unorganized Territory for 2001 and Subsequent Years) made under the Act,
 - B. the amounts, if any, referred to in subsection 364 (22) of the *Municipal Act, 2001*, as made applicable by section 257.12.3 of the *Education Act*, that are paid to the board in respect of the 2006 calendar year,

- C. the total of all amounts, if any, paid to the board in respect of the 2006 calendar year by a municipality under subsection 353 (4) or 366 (3) of the *Municipal Act, 2001*,
 - D. the amounts, if any, applied by the board against the cancellation price of land sold for tax arrears in the 2006 calendar year under section 380 of the *Municipal Act, 2001*, as made applicable by subsection 371 (2) of that Act,
 - E. the payments in lieu of taxes distributed to the board in respect of the 2006 calendar year under subsection 322 (1) of the *Municipal Act, 2001*,
 - F. the grants, if any, made to the board in respect of the 2006 calendar year under subsection 302 (2) of the *Municipal Act, 2001*,
 - G. the amounts, if any, received by the board in respect of the 2006 calendar year under the *Payments in Lieu of Taxes Act (Canada)* or under any Act of Canada that permits a payment to be made by a government or a government agency in lieu of taxes on real property, and
 - H. the amounts, if any, paid to the board in respect of the 2006 calendar year under subsection 9 (2) or (4) of the *Tax Incentive Zones Act (Pilot Projects), 2002*,
- ii. 62 per cent of the sum of,
- A. the total of the amounts distributed to the board in respect of the 2007 calendar year under subsections 237 (12) and 238 (2), section 239, subsection 240 (4), sections 250 and 251 and subsections 257.8 (2) and 257.9 (1) of the *Education Act*, under sections 447.20 and 447.52 of the *Municipal Act* as made applicable by section 474 of the *Municipal Act, 2001*, under subsections 364 (22) and 365.2 (16) of the *Municipal Act, 2001*, under section 10 of Ontario Regulation 509/98 (Tax Matters — Relief in Unorganized Territory (Section 257.2.1 of the Act)) made under the Act and under subsection 13 (2) of Ontario Regulation 3/02 (Tax Relief in Unorganized Territory for 2001 and Subsequent Years) made under the Act,
 - B. the amounts, if any, referred to in subsection 364 (22) of the *Municipal Act, 2001*, as made applicable by section 257.12.3 of the *Education Act*, that are paid to the board in respect of the 2007 calendar year,

- C. the total of all amounts, if any, paid to the board in respect of the 2007 calendar year by a municipality under subsection 353 (4) or 366 (3) of the *Municipal Act, 2001*,
 - D. the amounts, if any, applied by the board against the cancellation price of land sold for tax arrears in the 2007 calendar year under section 380 of the *Municipal Act, 2001*, as made applicable by subsection 371 (2) of that Act,
 - E. the payments in lieu of taxes distributed to the board in respect of the 2007 calendar year under subsection 322 (1) of the *Municipal Act, 2001*,
 - F. the grants, if any, made to the board in respect of the 2007 calendar year under subsection 302 (2) of the *Municipal Act, 2001*,
 - G. the amounts, if any, received by the board in respect of the 2007 calendar year under the *Payments in Lieu of Taxes Act (Canada)* or under any Act of Canada that permits a payment to be made by a government or a government agency in lieu of taxes on real property, and
 - H. the amounts, if any, paid to the board in respect of the 2007 calendar year under subsection 9 (2) or (4) of the *Tax Incentive Zones Act (Pilot Projects), 2002*,
- iii. the total of the amounts, if any, distributed to the board in the fiscal year under subsection 2 (3) of Ontario Regulation 365/98 (Pre-1998 School Tax Arrears) made under the Act, and
 - iv. the total of the amounts, if any, paid to the board in the fiscal year under clause 3 (1) (a) of Ontario Regulation 366/98 (Tax Arrears in Annexed Areas) made under the Act.
2. Calculate the difference between the following amounts and deduct that difference if the amount described in subparagraph i is less than the amount described in subparagraph ii or add that difference if the amount described in subparagraph i is more than the amount described in subparagraph ii:
- i. The amount that was determined under subparagraph 1 ii of subsection 46 (3) of the 2005-2006 grant regulation for the purposes of calculating the amount payable to the board as legislative grant in respect of the 2005-2006 school board fiscal year.

- ii. The amount that would have been determined under subparagraph 1 ii of subsection 46 (3) of the 2005-2006 grant regulation if that amount had been determined on the basis of the board's annual financial statements as reported to the Ministry for the 2005-2006 school board fiscal year.
- 3. If the board is required to levy taxes for school purposes in respect of property in territory without municipal organization, deduct the sum of,
 - i. 0.76 per cent of the total of the amount of those taxes levied for school purposes for the 2006 calendar year and the amount of the tax imposed by section 21.1 of the *Provincial Land Tax Act* that is levied by the board for that year, and
 - ii. 1.24 per cent of the total of the taxes described in subparagraph i that are levied by the board for the 2007 calendar year.
- 4. Deduct the costs for which the board is responsible under the Act or the *Municipal Elections Act, 1996* that are incurred in the fiscal year to conduct elections of members in territory without municipal organization that is deemed to be a district municipality for the purposes of clause 257.12 (3) (a) of the Act.
- 5. Deduct the amounts charged to the board in the 2006 calendar year by a municipal council under section 353 of the *Municipal Act, 2001*, including amounts charged under that section as a result of private legislation.
- 6. Deduct the total of the amounts rebated, paid or credited by the board under section 257.2.1 of the Act in the fiscal year.
- 7. Deduct 38 per cent of the total of the amounts, if any, paid by the board in respect of the 2006 calendar year under subsections 361 (7), 364 (11), 365 (3), 365.1 (13) to (15) and 365.2 (8) of the *Municipal Act, 2001*.
- 8. Deduct 62 per cent of the total of the amounts, if any, paid by the board in respect of the 2007 calendar year under subsections 361 (7), 364 (11), 365 (3), 365.1 (13) to (15) and 365.2 (8) of the *Municipal Act, 2001*.

(4) Amounts, if any, paid by the Minister to the board in respect of the 2006 calendar year under section 257.10.1 or 257.11 of the Act are deemed to be amounts distributed to the board in respect of the 2006 calendar year under a provision of the Act referred to in subparagraph 1 i of subsection (3).

(5) Amounts, if any, paid by the Minister to the board in respect of the 2007 calendar year under section 257.10.1 or 257.11 of the Act are deemed to be amounts distributed to the board in respect of the 2007 calendar year under a provision of the Act referred to in subparagraph 1 ii of subsection (3).

(6) Paragraph 3 of subsection (3) shall not be interpreted to preclude, including in the board's approved expenditure, an amount on account of the costs incurred by the board in collecting taxes in territory without municipal organization, if those costs exceed the amount deducted under paragraph 3 of subsection (3).

(7) If the approved expenditure of an isolate board exceeds its 2006-2007 tax revenue, the board is paid a grant equal to the excess.

Grants to s. 68 boards

47. (1) A section 68 board is paid a grant in an amount determined as follows:

1. Take the expenditure of the board for the fiscal year that is acceptable to the Minister for grant purposes, excluding,
 - i. expenditures for debt charges,
 - ii. expenditures for the purchase of capital assets,
 - iii. expenditures for the restoration of destroyed or damaged capital assets, and
 - iv. provisions for reserves for working funds and provisions for reserve funds.
2. Deduct the revenue of the board for the fiscal year, not including revenue from,
 - i. legislative grants,
 - ii. an organization on whose property a school of the board is located, and
 - iii. refunds of expenditure of the kind described in subparagraph 1 i, ii or iii.

(2) Subsection (3) applies if,

- (a) a section 68 board makes expenditures to purchase special equipment in accordance with the document entitled "Special Education Funding Guidelines: Special Equipment Amount (SEA) and Special Incidence Portion (SIP) 2006-07", which is available as described in subsection 3 (2), for a pupil of a section 68 board and the pupil enrolls in a school operated by a district school board or by a different section 68 board during the fiscal year; or
- (b) a claim for special equipment for a pupil of a section 68 board has been approved and the pupil enrolls in a school operated by a different section 68 board during the 2005-2006 school board fiscal year.

(3) The special equipment referred to in subsection (2) must move with the pupil to the new board unless, in the opinion of the new board, it is not practical to move the equipment.

**PART IV
PAYMENTS TO GOVERNING AUTHORITIES**

Definitions

48. In this Part,

“Crown establishment” means an establishment maintained by a Department of the Government of Canada, a federal Crown company, The Royal Canadian Mounted Police or Atomic Energy of Canada Limited, on lands held by the Crown in right of Canada that are not assessable for school purposes, and includes a reserve as defined in the *Indian Act* (Canada); (“établissement de la Couronne”)

“reserve” means a reserve within the meaning of the *Indian Act* (Canada). (“réserve”)

Pupil attending school in Manitoba or Quebec

49. (1) If a pupil who resides in a territorial district attends a school supported by local taxation in Manitoba or Quebec, the Minister may pay the governing authority of the school an amount agreed on between him or her and the authority if, in the Minister’s opinion,

- (a) daily transportation to a school in Ontario is impracticable due to distance or terrain;
- (b) the provision of board, lodging and weekly transportation to a school in Ontario is impracticable because of the age or disability of the pupil; and
- (c) the pupil attends a school that it is reasonable for him or her to attend, having regard to distance or terrain and any special needs of the pupil.

(2) In making a determination under subsection (1) with respect to a pupil who is a French-speaking person, the Minister shall have regard to language of instruction.

Pupil attending school on reserve

50. (1) This section applies if a pupil who resides in a territorial district,

- (a) is not resident in the area of jurisdiction of a board and is not resident on a Crown establishment; and
- (b) attends a school on a reserve that is operated by,
 - (i) the Crown in right of Canada, or
 - (ii) a band, the council of a band or an education authority, if the band, council of a band or education authority is authorized by the Crown in right of Canada to provide education for Indians.

(2) The Minister shall pay the governing authority of the school attended by the pupil the amount agreed on between the governing authority and the Minister.

Amounts payable to board, attendance at school for Indian children

51. (1) This section applies in respect of a board that has submitted to the Minister an arrangement for admission of one or more persons who are qualified to be resident pupils of the board to an elementary school for Indian children under section 185 of the Act.

(2) Subject to subsection (3), the Minister shall pay to the board, for each person to whom the arrangement applies, an amount equal to the cost per pupil of elementary instruction for the 2006-2007 fiscal period in the school to which the child is admitted under the arrangement.

(3) The amount paid by the Minister under subsection (2) shall not exceed the fee that the board would charge to elementary school pupils under section 3 of the 2006-2007 fees regulation.

Calculation of Fees

For Pupils for the 2006–07

School Board Fiscal Year

Ontario Regulation 340/06

This version of the regulation is prepared for purposes of convenience only. The authoritative text is set out in the official volumes.

ONTARIO REGULATION

made under the

EDUCATION ACT

CALCULATION OF FEES FOR PUPILS FOR THE 2006-2007 SCHOOL BOARD FISCAL YEAR

Interpretation

1. (1) In this Regulation,

“A.D.E. regulation” means Ontario Regulation 339/06 (Calculation of Average Daily Enrolment for the 2006-2007 School Board Fiscal Year) made under the Act; (“règlement sur l’effectif quotidien moyen”)

“continuing education A.D.E.”, for a board, means the continuing education average daily enrolment for the board, as calculated under section 3 of the A.D.E. regulation; (“effectif quotidien moyen des cours d’éducation permanente”)

“continuing education class or course” has the same meaning as in section 3 of the A.D.E. regulation; (“classe ou cours d’éducation permanente”)

“day school A.D.E.”, for a board, means the day school average daily enrolment for the board, as calculated under section 2 of the A.D.E. regulation; (“effectif quotidien moyen de jour”)

“day school program” does not include continuing education or summer school classes or courses; (“programme scolaire de jour”)

“elementary school pupil” means a pupil who is enrolled in any of junior kindergarten, kindergarten and grades one to eight; (“élève de l’élémentaire”)

“grant regulation” means Ontario Regulation 341/06 (Grants for Student Needs — Legislative Grants for the 2006-2007 School Board Fiscal Year) made under the Act; (“règlement sur les subventions”)

“high cost program” means,

- (a) a special education program, or
- (b) any other program which both the board and the party from whom the tuition fee is receivable agree is a high cost program for the purposes of this Regulation; (“programme à coût élevé”)

“isolate board” means a school authority other than a section 68 board; (“conseil isolé”)

“P.A.C.”, for a pupil, means the pupil accommodation charge for a pupil as determined under subsections (3) and (4); (“frais de pension”)

“secondary school pupil” means a pupil who is enrolled in any of grades nine to twelve; (“élève du secondaire”)

“section 68 board” means a board established under section 68 of the Act; (“conseil créé en vertu de l’article 68”)

“summer school A.D.E.”, for a board, means the summer school average daily enrolment for the board, as calculated under section 4 of the A.D.E. regulation; (“effectif quotidien moyen des cours d’été”)

“summer school class or course” means a summer school class or course as defined in subsection 4 (1) of the A.D.E. regulation. (“classe ou cours d’été”)

(2) The following rules apply for the purposes of this Regulation:

1. A pupil is considered to be a pupil of a board if he or she is a pupil of the board for the purposes of the grant regulation.
2. The day school A.D.E. of a pupil enrolled in a school operated by a board is the day school A.D.E. for the board, calculated as if the pupil were the board’s only pupil.

(3) The pupil accommodation charge for a pupil is \$141 in the case of an elementary school pupil or \$282 in the case of a secondary school pupil.

(4) Despite subsection (3), if a board has entered into an agreement under subsection 188 (3) of the Act that provides for a payment by the Crown in right of Canada to provide classroom accommodation for a specified number of pupils, the pupil accommodation charge for each pupil accommodated as a result of the agreement is zero.

Application

2. This Regulation applies in respect of the fiscal year of boards that commences on September 1, 2006 and ends on August 31, 2007.

Education for Indians

3. (1) This section applies in respect of a pupil who is enrolled in a day school program in a school operated by a district school board or an isolate board if a fee in respect of the pupil is receivable by the board from,

- (a) the Crown in right of Canada; or
- (b) a band, the council of a band or an education authority where the band, council of a band or education authority is authorized by the Crown in right of Canada to provide education for Indians.

(2) The fee in respect of the pupil is calculated by multiplying the day school A.D.E. of the pupil by the sum of the P.A.C. for the pupil and the base fee determined,

- (a) under subsection (3), in the case of a pupil who is an elementary school pupil enrolled in a school operated by a district school board;
- (b) under subsection (4), in the case of a pupil who is a secondary school pupil enrolled in a school operated by a district school board; or
- (c) under subsection (5), in the case of a pupil who is enrolled in a school operated by an isolate board.

(3) The base fee for an elementary school pupil enrolled in a school operated by a district school board is determined as follows:

1. Take the portion of the pupil foundation allocation determined under paragraph 1 of section 15 of the grant regulation.
2. Determine an amount on account of the school foundation allocation for elementary school pupils, as follows:
 - i. Determine the sum of the following amounts:
 - A. The amounts determined under paragraphs 1 and 2 of subsection 16 (4) of the grant regulation.
 - B. The amount determined under paragraph 8 of subsection 16 (5) of the grant regulation.
 - C. The amount determined under paragraph 9 of subsection 16 (6) of the grant regulation.
 - D. The amount determined under paragraph 4 of subsection 16 (7) of the grant regulation
 - ii. Take the day school A.D.E for the board, counting only elementary school pupils enrolled in schools that are part of a qualifying combined school of the board within the meaning of subsection 16 (3) of the grant regulation.
 - iii. Multiply the amount determined under subparagraph i by the number determined under subparagraph ii.
 - iv. Divide the amount determined under subparagraph iii by the day school A.D.E for the board, counting only elementary school pupils of the board.
 - v. Total the amounts determined under subparagraphs i and iv.
3. Take the amount of the board's primary class size allocation for the fiscal year, as determined under section 17 of the grant regulation.

4. Determine an amount on account of the special education allocation for elementary school pupils, as follows:
 - i. Determine the day school A.D.E. for the board, counting only pupils enrolled in junior kindergarten, kindergarten and grades one to three.
 - ii. Multiply the number determined under subparagraph i by \$623, to obtain the enrolment-based special education amount for junior kindergarten to grade three.
 - iii. Take the day school A.D.E. for the board, counting only pupils enrolled in any of grades four to eight.
 - iv. Multiply the number determined under subparagraph iii by \$470, to obtain the enrolment-based special education amount for grades four to eight.
 - v. Calculate the sum of the approved special equipment claims for elementary school pupils of the board for the fiscal year, as determined under section 20 of the grant regulation.
 - vi. Take the part of the special incidence claim for the board for the fiscal year, as determined under subsection 22 (2) of the grant regulation, that is generated by elementary school pupils of the board.
 - vii. Divide the high needs amount for the board, as determined under section 21 of the grant regulation, by the day school A.D.E. of the board, counting only pupils of the board.
 - viii. Multiply the result obtained under subparagraph vii by the day school A.D.E. of the board, counting only elementary school pupils of the board.
 - ix. Total the amounts obtained under subparagraphs ii, iv, v, vi and viii.
5. In the case of an English-language district school board, determine an amount on account of the language allocation for elementary school pupils, as follows:
 - i. Take the French as a second language amount for elementary school pupils of the board for the fiscal year, as determined under section 26 of the grant regulation.
 - ii. Calculate the part of the ESL/ESD amount for the board that is generated by elementary school pupils of the board, as follows:
 - A. Calculate the part of the ESL/ESD amount for the board, as calculated under subsection 28 (1) of the grant regulation, if only elementary school pupils of the board were counted.

- B. Take the amount set out for the board in Table 2 of the grant regulation opposite the name of the board.
 - C. Divide the amount referred to in sub-subparagraph B by the day school A.D.E. for the board, counting only pupils of the board.
 - D. Multiply the result obtained under sub-subparagraph C by the day school A.D.E. for the board, counting only elementary school pupils of the board.
 - E. Add the amounts calculated under sub-subparagraphs A and D.
- iii. Add the amount referred to in subparagraph i and the amount determined under subparagraph ii.
6. In the case of a French-language district school board, determine an amount on account of the language allocation for elementary school pupils, as follows:
- i. Multiply by \$605.05 the number of elementary school pupils of the board on October 31, 2006.
 - ii. Divide \$182,401 by the day school A.D.E. for the board.
 - iii. Multiply the amount determined under subparagraph ii by the day school A.D.E. for the board, counting only elementary school pupils of the board.
 - iv. Add the product determined under subparagraph iii to the total of the amounts determined under paragraphs 2 and 3 of subsection 31 (2) of the grant regulation.
 - v. Calculate the part of the PDF funding level for the board for the fiscal year, as determined under subsection 31 (5) of the grant regulation, that is generated by elementary school pupils of the board.
 - vi. Total the amounts determined under subparagraphs i, iv and v.
7. Determine an amount on account of the learning resources for distant schools allocation for elementary school pupils as follows:
- i. Take the amount determined under paragraph 1 of section 32 of the grant regulation.
 - ii. Total the amounts, if any, set out in Column 6 of Table 4 of the grant regulation opposite the names of the elementary schools of the board set out in Column 3.

- iii. Add the amount determined under subparagraph ii to the amount determined under subparagraph i.
 - iv. Subtract the amount set out in Column 2 of Table 5 of the grant regulation opposite the name of the board in Column 1, from the amount determined under subparagraph iii.
8. Determine an amount on account of the remote and rural allocation for elementary school pupils, as follows:
 - i. Divide the amount of the board's remote and rural allocation for the year, as determined under section 33 of the grant regulation, by the day school A.D.E. for the board, counting only pupils of the board.
 - ii. Multiply the amount determined under subparagraph i by the day school A.D.E. for the board, counting only elementary school pupils of the board.
9. Determine an amount on account of the learning opportunities allocation for elementary school pupils, as follows:
 - i. Take the total of,
 - A. the amount determined for the board under paragraph 1 of subsection 34 (1) of the grant regulation,
 - B. the amount determined for the board under paragraph 4 of subsection 34 (4) of the grant regulation, and
 - C. \$147,908.
 - ii. Divide the amount determined under subparagraph i by the day school A.D.E. for the board, counting only pupils of the board.
 - iii. Multiply the amount determined under subparagraph ii by the day school A.D.E. for the board, counting only elementary school pupils of the board.
 - iv. Take the total of,
 - A. the amount determined for the board under paragraph 2 of subsection 34 (4) of the grant regulation, and
 - B. the amount determined for the board under paragraph 8 of subsection 34 (4) of the grant regulation.
 - v. Add the amounts determined under subparagraphs iii and iv.

10. Take the amount of the board's elementary school teacher qualification and experience allocation for the fiscal year, as determined under subsection 36 (12) of the grant regulation.
11. Determine an amount on account of the cost adjustment for non-teachers for elementary school pupils as follows:
 - i. Divide the amount set out in Column 2 of Table 9 of the grant regulation opposite the name of the board in Column 1 by the day school A.D.E. for the board, counting only pupils of the board.
 - ii. Multiply the amount determined under subparagraph i by the day school A.D.E. for the board, counting only elementary school pupils of the board.
12. Determine an amount on account of the administration and governance allocation for elementary school pupils, as follows:
 - i. Divide the amount of the board's administration and governance allocation for the fiscal year, as determined under section 38 of the grant regulation, by the day school A.D.E. for the board, counting only pupils of the board.
 - ii. Multiply the amount determined under subparagraph i by the day school A.D.E. for the board, counting only elementary school pupils of the board.
13. Determine an amount on account of the school operations part of the pupil accommodation allocation for elementary school pupils by multiplying the benchmark operating cost of \$64.28 per metre squared,
 - i. by the adjusted elementary school area requirement for the board determined under section 39 of the grant regulation, if a supplementary elementary school area factor is approved for the board under that section, or
 - ii. by the elementary school area requirement for the board determined under section 39 of the grant regulation, if no supplementary elementary school area factor is approved for the board under that section.
14. Take the total of the amounts determined in respect of the board under paragraphs 17, 21 and 26 of subsection 39 (3) of the grant regulation.
15. Determine an amount on account of the board's adjustment for declining enrolment in respect of elementary school pupils by,
 - i. dividing the amount of the board's adjustment for declining enrolment, if any, as determined under section 41 of the grant regulation, by the day school A.D.E. for the board, counting only pupils of the board, and
 - ii. multiplying the amount determined under subparagraph i by the day school A.D.E. for the board, counting only elementary school pupils of the board.

16. Total the amounts determined for the board under paragraphs 1 to 15.
17. Divide the amount determined under paragraph 16 by the day school A.D.E. for the board, counting only elementary school pupils of the board.

(4) The base fee for a secondary school pupil enrolled in a school operated by a district school board is determined as follows:

1. Take the portion of the pupil foundation allocation determined under paragraph 2 of section 15 of the grant regulation.
2. Determine an amount on account of the school foundation allocation for secondary school pupils, as follows:
 - i. Determine the sum of the following amounts:
 - A. The amounts determined under paragraphs 4 and 6 of subsection 16 (4) of the grant regulation.
 - B. The amount determined under paragraph 17 of subsection 16 (5) of the grant regulation.
 - C. The amount determined under paragraph 18 of subsection 16 (6) of the grant regulation.
 - D. The amounts determined under paragraphs 8 and 12 of subsection 16 (7) of the grant regulation.
 - ii. Multiply the amount determined under subparagraph i by the amount determined under subparagraph 2 ii of subsection (3).
 - iii. Divide the product determined under subparagraph ii by the day school A.D.E. for the board, counting only secondary school pupils of the board.
 - iv. Subtract the amount determined under subparagraph iii from the amount determined under subparagraph i.
3. Determine an amount on account of the special education allocation for secondary school pupils, as follows:
 - i. Determine the day school A.D.E. of the board, counting only secondary school pupils of the board.
 - ii. Multiply the number determined under subparagraph i by \$303.

- iii. Calculate the sum of the approved special equipment claims for secondary school pupils of the board for the fiscal year, as determined under section 20 of the grant regulation.
 - iv. Take the part of the special incidence claim for the board for the fiscal year, as determined under subsection 22 (2) of the grant regulation, that is generated by secondary school pupils of the board.
 - v. Divide the high needs amount for the board, as determined under section 21 of the grant regulation, by the day school A.D.E. of the board, counting only pupils of the board.
 - vi. Multiply the result obtained under subparagraph v by the day school A.D.E. of the board, counting only secondary school pupils of the board.
 - vii. Total the amounts obtained under subparagraphs ii, iii, iv and vi.
4. In the case of an English-language district school board, determine an amount on account of the language allocation for secondary school pupils, as follows:
- i. Take the French as a second language amount for secondary school pupils of the board for the fiscal year, as determined under section 26 of the grant regulation.
 - ii. Calculate the part of the ESL/ESD amount for the board that is generated by secondary school pupils of the board, as follows:
 - A. Calculate the part of the ESL/ESD amount for the board, as calculated under subsection 28 (1) of the grant regulation, if only secondary school pupils of the board were counted.
 - B. Take the amount set out for the board in Table 2 of the grant regulation opposite the name of the board.
 - C. Divide the amount referred to in sub-subparagraph B by the day school A.D.E. for the board, counting only pupils of the board.
 - D. Multiply the result obtained under sub-subparagraph C by the day school A.D.E. for the board, counting only secondary school pupils of the board.
 - E. Add the amounts calculated under sub-subparagraphs A and D.
 - iii. Add the amount referred to in subparagraph i and the amount determined under subparagraph ii.
5. In the case of a French-language district school board, determine an amount on account of the language allocation for secondary school pupils, as follows:

- i. Multiply \$733.32 by the day school A.D.E., counting only secondary school pupils of the board.
 - ii. Divide \$182,401 by the day school A.D.E. for the board.
 - iii. Multiply the amount determined under subparagraph ii by the day school A.D.E. for the board, counting only secondary school pupils of the board.
 - iv. Add the product determined under subparagraph iii to the total of the amounts determined under paragraphs 5 and 6 of subsection 31 (2) of the grant regulation.
 - v. Calculate the part of the PDF funding level for the board for the fiscal year, as determined under subsection 31 (5) of the grant regulation, that is generated by secondary school pupils of the board.
 - vi. Total the amounts determined under subparagraphs i, iv and v.
6. Determine an amount on account of the learning resources for distant schools allocation for secondary school pupils by determining the sum of the following amounts:
 - i. The amount determined under paragraph 2 of section 32 of the grant regulation.
 - ii. The total of the amounts, if any, set out in Column 6 of Table 4 of the grant regulation opposite the names of the secondary schools of the board set out in Column 4.
7. Determine an amount on account of the remote and rural allocation for secondary school pupils, as follows:
 - i. Divide the amount of the board's remote and rural allocation for the fiscal year, as determined under section 33 of the grant regulation, by the day school A.D.E. for the board, counting only pupils of the board.
 - ii. Multiply the amount determined under subparagraph i by the day school A.D.E. for the board, counting only secondary school pupils of the board.
8. Determine an amount on account of the learning opportunities allocation for secondary school pupils, as follows:
 - i. Take the total of,

- A. the amount determined for the board under paragraph 1 of subsection 34 (1) of the grant regulation,
 - B. the amount determined for the board under paragraph 4 of subsection 34 (4) of the grant regulation, and
 - C. \$147,908.
- ii. Divide the amount determined under subparagraph i by the day school A.D.E. for the board, counting only pupils of the board.
 - iii. Multiply the amount determined under subparagraph ii by the day school A.D.E. for the board, counting only secondary school pupils of the board.
 - iv. Take the total of,
 - A. the amount determined for the board under paragraph 1 of subsection 34 (4) of the grant regulation, and
 - B. the amount determined for the board under paragraph 6 of subsection 34 (4) of the grant regulation.
 - v. Add the amounts determined under subparagraphs iii and iv.
9. Take the amount of the board's secondary school teacher qualification and experience allocation for the fiscal year, as determined under subsection 36 (13) of the grant regulation.
10. Determine an amount on account of the cost adjustment for non-teachers for secondary school pupils as follows:
- i. Divide the amount set out in Column 2 of Table 9 of the grant regulation opposite the name of the board in Column 1 by the day school A.D.E. for the board, counting only pupils of the board.
 - ii. Multiply the amount determined under subparagraph i by the day school A.D.E. for the board, counting only secondary school pupils of the board.
11. Determine an amount on account of the administration and governance allocation for secondary school pupils, as follows:
- i. Divide the amount of the board's administration and governance allocation for the fiscal year, as determined under section 38 of the grant regulation, by the day school A.D.E. for the board, counting only pupils of the board.
 - ii. Multiply the amount determined under subparagraph i by the day school A.D.E. for the board, counting only secondary school pupils of the board.

12. Determine an amount on account of the school operations part of the pupil accommodation allocation for secondary school pupils, by multiplying the benchmark operating cost of \$64.28 per metre squared,
 - i. by the adjusted secondary school area requirement for the board determined under section 39 of the grant regulation, if a supplementary secondary school area factor is approved for the board under that section, or
 - ii. by the secondary school area requirement for the board determined under section 39 of the grant regulation, if no supplementary secondary school area factor is approved for the board under that section.
13. Take the total of the amounts determined in respect of the board under paragraphs 28, 32 and 37 of subsection 39 (3) of the grant regulation.
14. Determine an amount on account of the board's adjustment for declining enrolment in respect of secondary school pupils by,
 - i. dividing the amount of the board's adjustment for declining enrolment, if any, as determined under section 41 of the grant regulation, by the day school A.D.E. for the board, counting only pupils of the board, and
 - ii. multiplying the amount determined under subparagraph i by the day school A.D.E. for the board, counting only secondary school pupils of the board.
15. Total the amounts determined for the board under paragraphs 1 to 14.
16. Divide the amount determined under paragraph 15 by the day school A.D.E. for the board, counting only secondary school pupils of the board.

(5) The base fee for a pupil who is enrolled in a school operated by an isolate board is determined as follows:

1. Take the approved expenditure of the board within the meaning of subsection 46 (1) of the grant regulation.
2. Deduct the amount of the approved expenditure referred to in paragraph 1 that relates to transportation.
3. Deduct the amount of the approved expenditure referred to in paragraph 1 that relates to school renewal.
4. Divide the amount obtained under paragraph 3 by the day school A.D.E. for the board, counting only pupils of the board.

(6) The fee in respect of a pupil described in subsection (1) who is enrolled in a Native language program in a school operated by a district school board and whose fee is receivable from an entity described in clause (1) (a) or (b), may be increased, at the option of the district school board, by an amount equal to the allocation for Native language that would be generated for the pupil if he or she were a pupil of the board, determined in accordance with section 27 of the grant regulation.

(7) The fee in respect of a pupil described in subsection (1) who is enrolled in a high cost program may be increased, at the option of the board, to the amount determined by multiplying the fee that would otherwise be payable,

- (a) by a factor agreed on by the board providing the instruction and the party from whom the fee is receivable; or
- (b) by a factor determined in the manner described in subsection (9) if the board and the party cannot agree on a factor.

(8) If the board providing the instruction and the party from whom the fee is receivable cannot agree on a factor, the factor shall be determined by three arbitrators, appointed as follows:

- 1. One arbitrator appointed by the board that provides the instruction.
- 2. One arbitrator appointed by the party from whom the fee is receivable.
- 3. One arbitrator appointed by the arbitrators appointed under paragraphs 1 and 2.

(9) The decision of the arbitrators or a majority of them is final and binding on the board providing the instruction and on the party from whom the fee is receivable.

(10) This section does not apply in respect of a pupil to whom subsection 49 (6) of the Act applies.

Fees, residing in Ontario

4. (1) This section applies in respect of a pupil described in subsection 46 (2) of the Act who is enrolled in a day school program in a school of a district school board or an isolate board and who resides in a school section, separate school zone or secondary school district in which the pupil's parent or guardian resides, on land that is exempt from taxation for the purposes of any board.

(2) The fee that a board shall charge in respect of a pupil described in subsection (1) to the parent or guardian is \$40 for each month or part of a month the pupil is enrolled in a school of the board.

(3) A board charging a parent or guardian a fee of \$40 for any month or part of a month under subsection (2) in respect of a pupil described in subsection (1) who is enrolled in a school of the board shall not charge the parent or guardian any fee under subsection (2) for the same month or part of a month in respect of another pupil described in subsection (1) who is enrolled in a school of the board.

(4) This section does not apply in respect of a pupil to whom subsection 49 (6) of the Act applies.

Fees, not residing in Ontario

5. (1) The fee in respect of a pupil who is enrolled in a day school program in a school of a district school board or an isolate board and whose parent or guardian does not reside in Ontario is an amount determined by the board that does not exceed the maximum fee determined under subsection (2) or (3).

(2) Except as is provided in subsection (3), the maximum fee is the amount calculated as follows:

1. Add the base fee determined for the pupil under subsection 3 (3), (4) or (5), as applicable, and the P.A.C. for the pupil.
2. Multiply the amount obtained under paragraph 1 by 0.1.
3. Multiply the result obtained under paragraph 2 by the number of months or part months during which the pupil is enrolled in a school operated by the board.

(3) If the pupil is enrolled in a high cost program, the maximum fee is the total of the amount calculated under subsection (2) and such additional amount as may be determined by the board that does not exceed the additional cost to the board of providing the high cost program to the pupil.

(4) This section does not apply in respect of a pupil,

- (a) to whom subsection 49 (6) of the Act applies; or
- (b) who was a pupil of a board for the purposes of Ontario Regulation 400/05 (Grants for Student Needs — Legislative Grants for the 2005-2006 School Board Fiscal Year), made under the Act.

Fees, s. 68 boards

6. (1) The fee in respect of a pupil who is enrolled in a day school program in a school operated by a section 68 board and whose parent or guardian does not reside in Ontario is the amount determined as follows:

1. Take the expenditure of the board for the fiscal year that is acceptable to the Minister for grant purposes, excluding,
 - i. expenditures for debt charges,
 - ii. expenditures for the purchase of capital assets, as determined under the grant regulation,

- iii. expenditures for the restoration of destroyed or damaged capital assets, as determined under the grant regulation, and
 - iv. provisions for reserves for working funds and provisions for reserve funds.
2. Deduct the revenue of the board for the fiscal year from,
 - i. any organization on whose property a school of the board is located, and
 - ii. refunds of expenditure of the kind described in subparagraph 1 i, ii or iii.
 3. Determine the number of pupil days for the period September 1, 2006 to August 31, 2007 by adding, for each instructional day in that period, the number of pupils enrolled in schools of the board who receive instruction on that day.
 4. Divide the amount obtained under paragraph 2 by the total number of pupil days determined under paragraph 3.
 5. Multiply the result obtained under paragraph 4 by the number of instructional days for which the pupil is enrolled in a school of the board during the same period.

(2) This section does not apply to a pupil to whom subsection 49 (6) of the Act applies.

Fees, pupils to whom s. 49 (6) of the Act applies

7. (1) The fee in respect of a pupil who is enrolled in a day school program and to whom subsection 49 (6) of the Act applies is the amount determined in accordance with a fees policy developed for the purposes of this section by the board that operates the school in which the pupil is enrolled.

(2) A board's fee policy must not authorize a fee in respect of an elementary school pupil that is less than the amount that would be calculated under subsection 3 (2) of this Regulation in respect of an elementary school pupil, if that subsection had applied to the pupil and subsection 49 (6) of the Act had not applied to the pupil.

(3) A board's fee policy must not authorize a fee in respect of a secondary school pupil that is less than the amount that would be calculated under subsection 3 (2) of this Regulation in respect of a secondary school pupil, if that subsection had applied to the pupil and subsection 49 (6) of the Act had not applied to the pupil.

Fees, summer school and continuing education

8. (1) The fee in respect of a pupil to whom subsection 49 (6) of the Act applies and who is enrolled in a summer school or continuing education class or course provided by a district school board or an isolate board is the amount determined by the board.

(2) The fee referred to in subsection (1) in respect of a pupil enrolled in a continuing education class or course of the board shall not be less than the fee determined by applying paragraphs 1 to 3 of subsection (4).

(3) The fee referred to in subsection (1) in respect of a pupil enrolled in a summer school program of the board shall not be less than the fee determined by applying paragraphs 1 to 3 of subsection (5).

(4) The fee in respect of a pupil described in subsection 3 (1) or 5 (1) who is enrolled in a continuing education class or course provided by a district school board or an isolate board is such amount as may be agreed on by the board and the party from whom the fee is receivable or, in the absence of agreement, the amount determined as follows:

1. Determine the expenditure of the board in the fiscal year for continuing education classes or courses.
2. Divide the amount determined under paragraph 1 by the continuing education A.D.E. for the board.
3. Multiply the result obtained under paragraph 2 by the continuing education A.D.E. for the board, counting only pupils described in this subsection.

(5) The fee in respect of a pupil described in subsection 3 (1) or 5 (1) who is enrolled in a summer school class or course provided by a district school board or an isolate board is such amount as may be agreed on by the board and the party from whom the fee is receivable or, in the absence of agreement, the amount determined as follows:

1. Determine the expenditure of the board in the fiscal year for summer school classes or courses.
2. Divide the amount determined under paragraph 1 by the summer school A.D.E. for the board.
3. Multiply the result obtained under paragraph 2 by the summer school A.D.E. for the board, counting only pupils described in this subsection.

No fee between boards

9. No fee is payable under this Regulation by one board to another board.

ONTARIO REGULATION

made under the

EDUCATION ACT

CALCULATION OF AVERAGE DAILY ENROLMENT FOR THE 2006-2007 SCHOOL BOARD FISCAL YEAR

Interpretation

1. (1) In this Regulation,

“2006-2007 fiscal year” means the period beginning September 1, 2006 and ending August 31, 2007; (“exercice 2006-2007”)

“combined kindergarten program” means a program operated on a five-day cycle that consists of 600 minutes of junior kindergarten for those pupils who are enrolled in the junior kindergarten part of the program and 900 minutes of kindergarten for those pupils who are enrolled in the kindergarten part of the program; (“programme combiné de maternelle et de jardin d’enfants”)

“cycle” means the number of school days for which a schedule of classes in a school continues before the schedule is repeated; (“horaire”)

“day school” and “day school program” do not include continuing education or summer school classes or courses; (“cours de jour”, “programme scolaire de jour”)

“full-time pupil” means a pupil, other than a pupil enrolled in junior kindergarten, kindergarten or a combined kindergarten program, who is,

- (a) enrolled in a day school and, in respect of a cycle, is enrolled for classroom instruction for an average of at least 210 minutes per school day, or
- (b) enrolled in a day school which has, in accordance with a calendar that has been approved by the Minister under Regulation 304 of the Revised Regulations of Ontario, 1990 (School Year Calendar) made under the Act, a designated school year of 12 months and instructional days in each of those months, and in which the pupil is eligible to earn at least seven credits on successfully completing the courses in which the pupil is enrolled in a school year; (“élève à temps plein”)

“half-time pupil” means a pupil who is enrolled in junior kindergarten or kindergarten, is not enrolled in a combined kindergarten program, and, in respect of a cycle, is enrolled for classroom instruction for an average of at least 150 minutes per school day; (“élève à mi-temps”)

“independent study course” means a credit course that is provided to a pupil other than a full-time pupil and that,

- (a) meets the criteria set out in the independent study course register for inclusion in the determination of day school enrolment, or
- (b) is approved by the Minister as an independent study course to be included in the determination of day school enrolment; (“cours d’études personnelles”)

“part-time pupil” means a pupil who is enrolled in day school and is neither a full-time nor a half-time pupil. (“élève à temps partiel”)

(2) This Regulation applies to boards for the 2006-2007 fiscal year.

(3) The Ministry publication entitled “Ontario Secondary Schools Grades 9 to 12 — Program and Diploma Requirements — 1999”, that is referred to in subparagraph 1 i of subsection 3 (2), paragraphs 6 and 7 of subsection 3 (2) and subclauses 4 (1) (c) (v) and (vi), is available for public inspection at the offices of the Education Finance Branch of the Ministry of Education, Mowat Block, 900 Bay Street, 21st Floor, Toronto, Ontario, M7A 1L2 and on the Ministry’s website at www.edu.gov.on.ca by following these links: Elementary and Secondary Education; The Ontario Curriculum; Secondary Curriculum; Ontario Secondary Schools, Grades 9 to 12: Program and Diploma Requirements.

Day school A.D.E.

2. Day school average daily enrolment for a board for the fiscal year is the sum of,

- (a) the product of 0.5 and the sum of,
 - (i) the number of full-time pupils enrolled on October 31, 2006 in schools operated by the board,
 - (ii) 0.5 times the number of half-time pupils enrolled on that day in schools operated by the board, and
 - (iii) the quotient obtained by determining, for each part-time pupil enrolled on that day in a school operated by the board, the number of minutes for which the pupil is registered for classroom instruction in the cycle that includes that day, in a course other than an independent study course, and dividing the sum of the numbers so determined by the product of 300 and the number of days in the cycle;
- (b) the product of 0.5 and the sum of,
 - (i) the number of full-time pupils enrolled on March 31, 2007 in schools operated by the board,

- (ii) 0.5 times the number of half-time pupils enrolled on that day in schools operated by the board, and
 - (iii) the quotient obtained by determining, for each part-time pupil enrolled on that day in a school operated by the board, the number of minutes for which the pupil is registered for classroom instruction in the cycle that includes that day, in a course other than an independent study course, and dividing the sum of the numbers so determined by the product of 300 and the number of days in the cycle; and
- (c) an amount in respect of each pupil enrolled in a school of the board who is registered for an independent study course, calculated as follows:

$$\frac{A \times B}{7.5}$$

in which,

“A” is the number of credits and partial credits that may be earned by the pupil on successful completion of the course, and

“B” is the fraction representing the portion of the total quantity of work required for completion of the course that is completed by the pupil during the fiscal year.

Continuing education A.D.E.

3. (1) Continuing education average daily enrolment for a board for the fiscal year is the sum of,

- (a) an amount in respect of each pupil who is enrolled in a continuing education class or course established by the board, other than a continuing education course delivered primarily through means other than classroom instruction, calculated as follows:

$$\frac{C \times D}{300 \times 190}$$

in which,

“C” is the number of sessions for which the pupil is enrolled in the fiscal year, and

“D” is the number of minutes in each session; and

- (b) an amount in respect of each pupil who is enrolled in a continuing education course established by the board and delivered primarily through means other than classroom instruction calculated as follows:

$$E \times 0.1158 \times F$$

in which,

“E” is the number of credits and partial credits that may be earned by the pupil on successful completion of the course, and

“F” is the fraction representing the portion of the total quantity of work required for completion of the course that is completed by the pupil during the fiscal year.

(2) A class or course is a continuing education class or course for the purposes of subsection (1) if it is not a summer school class or course as defined in subsection 4 (1), it is approved by the Minister and it satisfies the conditions in one of the following paragraphs:

1. The class or course,
 - i. is established for adults for which one or more credits, a partial credit referred to in the Ministry publication entitled “Ontario Secondary Schools Grades 9 to 12 — Program and Diploma Requirements — 1999” or a partial credit approved by the Minister may be granted, and
 - ii. is in the intermediate division if it is offered by a school authority that is only authorized to provide elementary education.
2. The class or course is in Native language instruction for adults.
3. The class or course is in literacy and numeracy for pupils in grade 7 or 8 for whom a remedial program in literacy and numeracy has been recommended by the principal of the day school in which the pupil is enrolled and the class or course is not provided as part of a day school program.
4. The class or course is a non-credit class or course in literacy and numeracy for pupils in grade 9 or a higher grade for whom a grade 9 or 10 remedial program in literacy and numeracy has been recommended by the principal of the day school in which the pupil is enrolled and the class or course is not provided as part of a day school program.
5. The class or course is in literacy and numeracy and is established for adults who are parents or guardians of pupils enrolled in a day school program for whom a remedial program in literacy and numeracy has been recommended by the principal of the day school in which the pupils are enrolled.

6. The class or course is for secondary school pupils who elected to take a transfer credit course to transfer between course types in accordance with section 5.6 of the Ministry publication entitled “Ontario Secondary Schools Grades 9 to 12 — Program and Diploma Requirements — 1999”.
7. The class or course is for pupils who are enrolled in grade 9 in the school year and the principal, headmaster, headmistress or other person in charge of the school in which the pupil is enrolled strongly encourages the pupil to successfully complete additional course work of up to 30 hours before switching from one course type in grade 9 to another course type in grade 10 in the same subject, in accordance with section 5.6 of the Ministry publication entitled “Ontario Secondary Schools Grades 9 to 12 — Program and Diploma Requirements — 1999”.

(3) Any pupils who are in a class or course offered for credit and who are not adults must be included in calculating the continuing education average daily enrolment for a board under subsection (1) for a class or course established for adults that is referred to in subsection (2).

(4) The following rules apply in calculating the continuing education average daily enrolment for a board under subsection (1) for a class or course referred to in subsection (5):

1. If the number of pupils in the class or course is 10 or more and less than 15, that number is increased to 15.
2. If the number of pupils in the class or course is less than 10, that number is increased by five.

(5) Subsection (4) applies with respect to a class or course,

- (a) referred to in paragraph 4 of subsection (2); and
- (b) referred to in paragraph 1 of subsection (2), other than a course delivered primarily through means other than classroom instruction, if the class or course is offered in a secondary school that is located in a territorial district and is more than 80 kilometres from all other secondary schools in the Province that have the same language of instruction.

Summer school A.D.E.

4. (1) In this section,

“summer school class or course” means a class or course,

- (a) that is provided by a board between the hours of 8 a.m. and 5 p.m.,
- (b) that starts after the completion of the 2006-2007 school year and ends before the start of the 2007-2008 school year, and

- (c) that is a class or course,
- (i) for developmentally delayed pupils,
 - (ii) in which a pupil may earn a credit,
 - (iii) for pupils who have completed grade 7 or a higher grade and for whom a grade 7 or 8 remedial program in literacy and numeracy has been recommended by the principal, headmaster, headmistress or other person in charge of the school at which the pupil completed grade 7 or 8,
 - (iv) for pupils who were enrolled in grade 9 or a higher grade and for whom a non-credit grade 9 or 10 remedial program in literacy and numeracy has been recommended by the principal, headmaster, headmistress or other person in charge of the school at which the pupil was enrolled,
 - (v) for pupils who were enrolled in grade 10 or 11 and who elected to take a transfer credit course to transfer between course types in accordance with section 5.6 of the Ministry publication entitled “Ontario Secondary Schools Grades 9 to 12 — Program and Diploma Requirements — 1999”, or
 - (vi) for pupils who are enrolled in grade 9 in the 2006-2007 school year and the principal, headmaster, headmistress or other person in charge of the school in which the pupil is enrolled strongly encourages the pupil to successfully complete additional non-credit crossover course work of up to 30 hours when the pupil plans to switch from one course type in grade 9 to the other in grade 10 in the same subject, in accordance with section 5.6 of the Ministry publication entitled “Ontario Secondary Schools Grades 9 to 12 — Program and Diploma Requirements — 1999”.

(2) Only the following pupils are counted for the purposes of this section:

1. Pupils who were enrolled in a day school program offered by a board.
2. Pupils who were enrolled in any of grades 1 to 12 in a private school that was in compliance with subsection 16 (1) of the Act when the pupil was last enrolled in the school.

(3) Summer school average daily enrolment for a board for the fiscal year is the sum of the amounts in respect of each pupil enrolled in a summer school class or course that is provided by the board, other than a course delivered primarily through means other than classroom instruction, calculated as follows:

$$\frac{G \times H}{300 \times 190}$$

in which,

“G” is the number of sessions of the summer school class or course in which the pupil is enrolled in the fiscal year, and

“H” is the number of minutes in each session.
