## USEFUL APP REVIEW SITES

### **edululu.org**

Created for parents and teachers, EduLulu is the first public evaluation service for educational apps available in Canada. EduLulu’s evaluations are the work of teams of independent experts, including teachers, parents, ergonomists, and designers.

*(Under categories choose “Language Skills” and look for apps with ‘f’ or ‘e/f’)*

### **Appyfamily.wordpress.com**

Great little site with only a few apps recommendations, but there is always a free app of the week.

*(Under ‘Categories’ choose “French”)*

**Don’t forget to look at related or similar apps often listed at the bottom of the purchase page.**
