

RECOMMENDED FRENCH APPS

Useful App Review Sites

edululu.org

Created for parents and teachers, EduLulu is the first public evaluation service for educational apps available in Canada. EduLulu's evaluations are the work of teams of independent experts, including teachers, parents, ergonomists, and designers. (Under "All Categories" choose "Language Skills" and look for apps with 'f' or 'e/f')

appyfamily.wordpress.com

Great site with only a few app recommendations, but there is always a free app of the week. (Under 'Categories' choose "French")

TIP

Don't forget to look at related or similar apps often listed at the bottom of the purchase page.
